VGC: The 2025 Guide to Video Games 1981 Media Ltd, 2025-05-30 Relive 2024's gaming highs lows and industry upheavals with this expertly curated year in review There's no such thing as a quiet year in video games and 2024 has been no different For players a steady stream of high profile game releases has meant there's always been something new to play regardless of what console handheld PC or mobile device they were using Meanwhile behind the scenes 2024 has been one of the most turbulent years in the history of the games industry with widespread job losses studio cuts acquisitions and other controversies Video Games Chronicle the

expert source for video game news has covered 2024's goings on every step of the way and this book summarises the entire year in one handy volume. Designed like an old school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation; you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

Pro Windows Phone 7 Development Rob Cameron, 2011-08-04. The Windows Phone 7 platform provides a remarkable opportunity for Windows developers to create state-of-the-art mobile applications using their existing skills and a familiar toolset. For iOS and Android developers, this book provides the right level of content to help developers rapidly come up to speed on Windows Phone. Pro Windows Phone 7 Development will help you unlock the potential of this platform and create dazzling, visually rich and highly functional applications for the Windows Phone Marketplace. For developers new to the Windows Phone 7 platform, whether .NET, iPhone or Android developers, this book starts by introducing you to the features and specifications of the Windows Phone series and then leads you through the complete application development process. You'll learn how to use Microsoft technologies like Silverlight, .NET, the XNA Framework, Visual Studio and Expression Blend effectively; how to take advantage of the available sensors such as the location service, accelerometer and touch; make your apps location-aware using GPS data; utilize the rich media capabilities of the Windows Phone series; and much more. Finally, you'll receive a full tutorial on how to publish and sell your application through the Windows Phone Marketplace.

Windows 10: The Missing Manual David Pogue, 2018-06-13. Windows 10 hit the scene in 2015 with an all-new web browser, Edge, the Cortana voice assistant and universal apps that run equally well on tablets, phones and computers. Now the Creators Update brings refinement and polish to Windows 10, and this jargon-free guide helps you get the most out of this supercharged operating system. Windows 10: The Missing Manual covers the entire system, including all the new features like the three-column Start menu, the extensions in the Microsoft Edge browser, Paint 3D and live game broadcasting. You'll learn how to explore the desktop, including File Explorer, Taskbar, Action Center and Cortana; work with programs and documents; Windows starter apps, the Control Panel and 3D apps; connect with Edge and email; beef up security and privacy; set up hardware and peripherals, including tablets, laptops, hybrids, printers and gadgets; maintain computer health with backups, troubleshooting tools and disk management; learn about network accounts, file sharing and setting up your own small network.
