Pacific Northwest s oldest working ghost hunting team AGHOST share the spooky stories of Washington State s City of
Destiny Tacoma hides in the shadows of Seattle but what hides in the shadows of Tacoma The city s paranormal history is
riddled with Native American culture spiritualists mysterious deaths tragedy and curses that dwell in the dark Much of
Tacoma is built directly on top of sacred lands and many natives to the area can attest that the city is haunted by its past
Desecration of graves can leave troubling results Hexed citizens can perish An untimely death can leave behind a soul These
unfortunate circumstances bring forth tales of the strange and unexplainable Are we alone in Tacoma or accompanied by
ghosts of the past Includes photos Tacoma native Ross Allison is a modern day ghost hunter He said that Tacoma s haunted
past hasn t generated that same kind of attention that Seattle s has but he s hoping to change that by sharing more South
