The Brutal Reality of Day Trading for Beginners J.R. Calcaterra, Trading is absolutely the most difficult challenge that you will undertake in your life and will test your emotions

patience and be more than you ever could be prepared for as a self directed beginner trader While trading is certainly easy once you know what to do learning it and becoming successful at it can be long and brutally hard or slow and consistent that part is up to you The brutal truth is that there does not have to be failure to gain success if you have the right information from the very first day you start off learning this business Unfortunately though brand new investors and traders are given mostly the wrong information and taught to do things that in the real world of trading in live markets are not even realistic to do and can cause them to lose money right away Some of the things you will read in The Brutal Reality of Day Trading for Beginners are harsh for sure however they are the truth in trading The Brutal Reality of Day Trading for Beginners is designed to give the brand new self directed beginner investor and trader a harsh reality check on trying to do this business and not having thought it through or having and working from a rule based plan The basic information they need to get going and start making money right away in the financial markets is within this short book Everything that is in this book must be done by all brand new investors and traders All successful market participants have had to do everything that is discussed in this book there are zero shortcuts and should you try to take one and not learn what The Brutal Reality of Day Trading for Beginners tells you you will most assuredly lose some or all of your hard earned capital The information The Brutal Reality of Day Trading for Beginners will help you to cut down your learning curve and put you on the fast track to making real income from the live financial markets right away if you can grasp the basic principles right away There is no timetable set in stone on how long it should take to learn to do this business the right way from the first day you don t need to be in any hurry because the market is always going to be there waiting to pay you **The ART of Trading** Bennett A.

McDowell,2010-12-28 An expert in the field of finance reveals his proven trading system As a trading coach and financial advisor Bennett McDowell has used his own proprietary trading system Applied Reality Trading or ART to enhance the performance of his clients portfolios Now McDowell outlines the unique benefits of his system and makes the case for trading the reality not the fantasy of financial markets Readers will discover the importance of simplicity in a trading approach how to develop The Trader s Mindset how to use ART r technical analysis software and much more The ART of Trading will enlighten readers in how to use reality to enrich both their financial portfolio and their own financial psychology **How to do Set it and Forget it Day Trading** Ricardo Calca, Brand new day traders will love this book because it tells them the information they need to be able to have a low stress easy way of investing and trading the financial markets if they have zero or very limited experience The set it and forget it way of day trading swing trading or position trading is the easiest fastest and most low stress way of investing and trading there is for making high profits in today s fast moving markets if you are a beginner with limited experience With this type of supply and demand set it and forget it investing and trading once you learn it and master it you can be confident of setting your order in the live market and then taking your hand off the mouse and letting the market do all of the dirty work for you It doesn t get any easier than that If you are brand new to day

trading and investing and are looking for a method which will allow you to learn the easiest and fastest way to begin making consistent high profits right away then I encourage you to learn this method first as it will be the only method of trading you will need to use to make high profits consistently forever once you have learned and mastered the principles of supply and demand Set it and forget it trading is the only way to have a truly hands off method of trading and investing where you can feel confident that you are making money with the smart money and letting them show you the way to high profits Once you learn to see the smart money value areas on a price chart you can set your order in the market where the smart money has there s at then just wait to get paid No stress no drama just making money Isn t that the way you would like to make money You can get on the fast track to the knowledge you need with the information in this book I encourage you to do what it says and to be diligent in your studies This is some of the most important information you will read in your life as far as knowing what to do in the live market to win Do you want to lose money right away or make money right away You should take your time reading this book and read the entire book before you start your research into the education and training phase of set it and forget it trading Do it the right way from the start on your first day and you should have no problem Take your time the market is always going to be there waiting to pay you You can take that to the bank How to make a Living from Day Trading Richard Christopher, How to make a Living from Day Trading is written for all of the up and coming aspiring self directed day traders and investors who are trying to figure out if this business is for them or not By the time you are reading the first few pages of this book you will know what is in store for you in the business of making money with money and if you want to do it or not Investing and trading is the best business in the world as far as I am concerned It is the only business I know of where you can be at the beach on a beautiful sunny day or scuba diving or flying to Europe for the weekend to meet up with friends and still be making money the whole time you re doing it You don t need a job you need an income and trading is the only business I know of where you can be anywhere in the world you choose to be day or night and having the chance to make an unlimited amount of money Isn t that the type of business you would like to be in No other business in the world other than trading allows you to work at your own pace and make unlimited amounts of money any time you want A brand new self directed trader with no experience can read this book and depending on how fast they can grasp the concepts and learn them can be making an income for themselves in as little as 30 days to 6 months The information in How to make a Living from Day Trading can put you on the fast track to making money right away How to make a Living from Day Trading gives you the information that can help you right from the start of your new self directed trading business from the first day It is so important for self directed traders to start out right from the beginning because the outcome of not having done so is very expensive and no one likes to or wants to lose money Unfortunately brand new self directed investors and traders tend to lose almost all of their money on their first try in the markets Don t be that trader By the time you have completed reading How to make a Living from Day Trading you will know the biggest mistakes new traders make the first things to study when

you are brand new that can make you money right away how and where to go to get more information There are some clickable links in the book which will take you directly to even more information for you to become successful right away
