How To Write Anything: The Format Of What You Write May Change But The Process Of Writing Anything Remains The Same

Paul Lima, 2020-07-06 How To Write Anything The Format Of What You Write May Change But The Process Of Writing Anything Remains The Same This book is called How To Write Anything and I confess there is some ego involved in the title But then I've been a professional writer for over 40 years As one of Canada's most successful writers and authors I have written hard news articles soft news and feature articles advertising and promotional copy media releases reports and proposals case studies research papers email messages website content tweets blog posts and other online content I have also written over 20 books on business promotional and online writing and other topics such as writing articles memoir writing and living with Multiple Sclerosis a disease that I have but one that has not prevented me from writing or training I've also written a collection of short stories poetry and a couple of plays So while I haven't written everything I've written many things The fact is that you can't read this book and go forth and write anything if you are not familiar with the format or structure of the document that you want to write be it non fiction or fiction For instance if you want to write a report you do so using the methods in this book However you have to know how to structure reports The same is applicable to email social media content articles promotional content case studies reports white papers PowerPoint presentations speeches website content short stories or novels So some of you reading this book might still have some learning to do However I suspect most of you know the structure of the documents you want to produce and you will be able to immediately apply the methods outlined in the book to writing any document that you need to write [Write Your Book in a Flash](#) Dan Janal, 2018-04-18 Write your business book without wasting time or money a superb guide for executives entrepreneurs and thought leaders Henry DeVries author of Persuade with a Story Write Your Book in a Flash shows how to get focused fast so you can write your book without tearing your hair out As with any enterprise writing a book requires a clear system or nothing gets finished Unlike books that show you why you should write a book this book actually shows you how to write a book You'll discover How to write a simple outline that makes the writing process faster and easier How to get stunning testimonials to help sell your book How to find and manage beta readers who will share honest feedback before the book is published How to research interesting ideas stories and facts so you never run out of ideas or information How to overcome The Imposter Syndrome and other limiting beliefs that stifle nearly every would be author Clear examples that show you what to do and what not to do Empowering exercises that show you how to write better and faster Simple how to steps anyone can follow to write a book Business leaders who write books get more clients at higher fees have more impact develop more credibility and have more influence where it matters most in front of clients customers and prospects This is the perfect book to read if you are a thought leader entrepreneur or business executive who wants to write a business book to build your personal brand open doors to new opportunities and leave a legacy of wisdom to future generations *How to*

Write the Best Book Jesper Schmidt, Autumn M. Birt, 2022-03-01 These three bestselling guidebooks are the last ones you'll ever need. Containing a step by step system designed to turn simple ideas into rich stories you'll learn everything there is to know about planning and outlining your best novel. From writing mentors and podcast hosts Autumn Birt and Jesper Schmidt comes nearly 700 pages of writing advice. And even better this box set is heavily discounted compared to buying these three bestsellers individually. Included in this box set: *Story Idea: A Method to Develop a Book Idea*. Simple ideas turned into rich stories. This short easy to use guidebook tells you exactly how to turn a fleeting story idea into a solid premise strong enough to carry an entire novel. *Plotting a Novel: Developing Story Ideas* will teach you how to get more story ideas when your creative well seems to have run dry. How to use mind mapping to decide which story idea is the best one. How to develop the premise the starting point for any novel. Included within these pages is a bonus chapter on how to develop a premise for a non fiction book. Also you'll be able to download a list of 100 writing prompts to get you started. Get rid of writer's block forever. It's time to reclaim your creativity. *Plot Development: An Outlining Method for Fiction*. Do you want to write a stronger story? Would you like to worry less about plot holes and weak characters? Some writers shy away from outlining believing it their worst nightmare and state that time is better spent writing a novel than planning it. Then there are those who've tried plotting perhaps more than a few times only to get lost in the weeds and overwhelmed by frustration. Stories that work all follow a certain structure you just need to learn how to apply it. *Plot Development* is a step by step guide which will teach you how to decide on the number of characters to include in your novel. How to make each character come alive with their own wants and needs. How to choose between different types of outlines. How to develop engaging events and where to place them within your story. How to enhance your plot with potent subplots. How to build chapters designed to deliver an immersing experience for the reader. How to review and edit your outline to make it even better. How to enrich your opening and closing chapters. Included are seven bonus chapters covering essential topics like theme beta readers short story plotting and much more. Additionally you'll be able to download an outline template to provide an in depth guide for your plotting. No more getting lost in those weeds. *Plot Development: Step by Step Exercises for Planning Your Book*. Learn the step by step system for outlining a successful novel. The two bestselling authors behind the previous guidebook *Plot Development* which showed writers how to outline an entire novel now bring you this workbook full of practical exercises to plan your novel. The creation of your cast of characters. The development of the protagonist antagonist POV characters and minor characters. The construction of the entire outline from start to finish. The composing of subplots to enhance your story. The structure of a powerful chapter and how to build it. The editing process to make your outline stronger. The approach to enrich your opening and closing chapters. *Plot Development: Step by Step* is jam packed with precise questions and thoughtful exercises designed to give birth to a phenomenal novel.
