Braille Book Review ,2015-05 **Cold Comfort** Charles Todd,2013-11-19 A brand new Ian Rutledge e original novella from Charles Todd including a special excerpt from the next Rutledge novel *Hunting Shadows* available this January It s 1915 and the Great War is barely six months old Lieutenant Ian Rutledge has left behind his career at Scotland Yard and is now serving in France He s temporarily with the sappers men digging underground tunnels toward the German lines to set off explosions under the enemy trenches In his sector Rutledge and his men set their charges and get out of the tunnel as fast as possible But the charges don t go off It s madness to go back down and find out why but Rutledge and Private Williams volunteer They barely make it back before the tunnel blows up Rutledge suspects that two Welsh miners cut the fuse too long even though they deny it Then Williams confides to Rutledge that these same men half brothers Taffy Jones and Aaron Lloyd have tried before this to kill him And they re determined enough to risk other men s lives as well Rutledge discovers in the midst of a raging battle that murder has made its way to France and he must find a way to prove it **Racing the Devil** Charles Todd,2017-12-12 Scotland Yard s Ian Rutledge finds himself caught in a twisted web of vengeance old grievances and secrets that lead back to World War I in the nineteenth installment of the acclaimed bestselling series On the eve of the bloody Battle of the Somme a group of English officers having a last drink before returning to the Front make a promise to each other if they survive the battle ahead and make it through the war they will meet in Paris a year after the fighting ends They will celebrate their good fortune by racing motorcars they beg borrow or own from Paris to Nice In November 1919 the officers all meet as planned and though their motorcars are not designed for racing they set out for Nice But a serious mishap mars the reunion In the mountains just north of their destination two vehicles are nearly run off the road and one man is badly injured No one knows or will admit to knowing which driver was at the wheel of the rogue motorcar Back in England one year later during a heavy rainstorm a driver loses control on a twisting road and is killed in the crash Was it an accident due to the hazardous conditions Or premeditated murder Is the crash connected in some way to the unfortunate events in the mountains above Nice the year before The dead driver wasn t in France although the motorcar he drove was If it was foul play was it a case of mistaken identity Or was the dead man the intended victim after all Investigating this perplexing case Scotland Yard Inspector Ian Rutledge discovers that the truth is elusive and that the villages on the South Downs where the accident happened are adept at keeping secrets frustrating his search Determined to remain in the shadows this faceless killer is willing to strike again to stop Rutledge from finding him This time the victim he chooses is a child and it will take all of Rutledge s skill to stop him before an innocent young life is sacrificed **Legacy of the Dead** Charles Todd,2001 **Search the Dark** Charles Todd,1999 When a young woman is brutally murdered in a sleepy village in Dorset it appears to have been a crime of passion and her killer is immediately arrested But it is the identity of the victim not the murderer that brings Inspector Ian Rutledge down from Scotland Yard to investigate For if the woman was indeed the killer s wife then where are their children As a search gets under way it becomes clear that the victim was someone else

altogether And still traumatised by his experiences in the Great War Rutledge must sort through a tangled web of deception and twisted allegiances in order to discover which one of the emotionally scarred villagers is responsible for her death

The Black Ascot Charles Todd, 2019-02-05 Scotland Yard's Ian Rutledge seeks a killer who has eluded Scotland Yard for years in this next installment of the acclaimed New York Times bestselling series An astonishing tip from a grateful ex convict seems implausible but Inspector Ian Rutledge is intrigued and brings it to his superior at Scotland Yard Alan Barrington who has evaded capture for ten years is the suspect in an appalling murder during Black Ascot the famous 1910 royal horse race meet honoring the late King Edward VII His disappearance began a manhunt that consumed Britain for a decade Now it appears that Barrington has returned to England giving the Yard a last chance to retrieve its reputation and see justice done Rutledge is put in charge of a quiet search under cover of a routine review of a cold case Meticulously retracing the original inquiry Rutledge begins to know Alan Barrington well delving into relationships and secrets that hadn't surfaced in 1910 But is he too close to finding his man His sanity is suddenly brought into question by a shocking turn of events His sister Frances Melinda Crawford and Dr Fleming stand by him but there is no greater shame than shell shock Questioning himself he realizes that he cannot look back The only way to save his career much less his sanity is to find Alan Barrington and bring him to justice But is this elusive murderer still in England
