Joyce Meyer The Root Of Rejection:

The Root of Rejection Joyce Meyer, 2008-11-15 You can be free from the effects of rejection No one totally escapes rejection But not everybody has to be damaged by it Our Father has provided a means for us as His children to be delivered from the painful consequences of rejection **Summary of Joyce Meyer's Authentically, Uniquely You** Everest Media, 2022-03-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 To love yourself is to accept the unconditional love of God with your whole heart to see yourself as He sees you and to rejoice and be at peace with who He has created you to be We cannot love others if we do not first love ourselves 2 Knowing and abiding in God's love makes us powerful It sets us free from self doubt and allows us to trust God to do great things in us and through us It also liberates us from caring too much about what other people think about us and allows us to seek to please God alone 3 To pursue peace is to do whatever it takes to maintain peace in your life It means not always getting your way or having the last word in an argument It requires you to trust God with the people in your life instead of trying to force them to be what you want them to be 4 Peace with God is the foundation for peace in every other area of our lives When we sin the best way to respond is to repent ask God to forgive us and then choose not to allow feelings of guilt to torment us Guilt is useless

Summary of Joyce Meyer's Do It Afraid Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I have a speech impediment that makes me feel pretty insecure I remember how my third grade teacher made me walk to the front of the classroom and then ridicule me in front of my classmates That was decades ago but Satan still uses that memory to trigger anxiety attacks in my mind 2 God has a good plan for your life but the devil also has a plan and it is not a good one You must choose one or the other If you make right choices according to God's will you experience blessing But if you choose what you know is wrong you will face consequences you won't like or enjoy 3 The good life is not guaranteed and you must choose it You must choose God's ways and He will always be drawing you toward His will But remember that your actions affect the people around you as well as your own life 4 We can conquer fear but only with faith When the devil tells us we can't we should remember that God tells us we can Even though we may feel fear we can move forward in faith **Wisdom from T.D. Jakes** T. D. Jakes, 2011-07-28 Only T D Jakes can wash over

you with wisdom that will clean away all your troubles and trials and present you as a shining masterpiece of God's glory With the wisdom of Solomon one of the bestknown and beloved pastors of our time T D Jakes shares 40 wise and personal insights to refresh and empower you to tackle life's challenges This interactive devotional journal immerses you into a world where God's power infuses you with wisdom that you never thought possible How much better to get wisdom than gold

Divorced...By Surprise Rosezine Wallace,2005-05 *My Innocence Was Stolen* Tabitha Ferguson,2022-08-01 Tabitha Ferguson was born into poverty and an abusive and divided family She survived abuse on every level while her community documented the torment she lived in and projected mental illness labels on her instead of holding the abusers accountable When Tabitha could no longer function in a normal school classroom she was pushed into the judicial system and believes she was set up to fail Due to the severity of the abuse she endured she fell into what statistics say they fall into with addictions and its lifestyle In the midst of a life full of adversities Tabitha has managed to overcome as she passionately shares her story to help raise awareness for kids and their families with similar backgrounds Tabitha's first new book will give you great insight in what goes on inside the mind of a troubled at risk youth and how to respond and begin using trauma informed knowledge versus believing someone is mentally ill due to biochemical imbalances We all just want to love and be loved Tabitha's book will help you realize just how much the human mind can be restored and how one can overcome with a past like hers
