Intersectionality and Women's Access to Justice in Africa J. Jarpa Dawuni, 2022-10-17

Intersectionality and Women's Access to Justice edited by J Jarpa Dawuni propounds layered intersectionality as a paradigm for examining how gendered factors affect women's access to justice whether as judges or litigants Through intersectional and decolonial frameworks the contributors analyze the lived experiences of women and their access to justice by situating the courtroom as both a spatial and a temporal arena for seeking justice as litigants and for seeking access to the bench as

judges This book examines patterns of mutually reinforcing discriminatory practices that women share based on common gender identities and depending on which identities are at play at a given point in time in both traditional and statutory courts The book provides recommendations for various justice sector providers The Zuma Years Richard Calland,2013-08-16 The face of power in South Africa is rapidly changing for better and for worse The years since Thabo Mbeki was swept aside by Jacob Zuma s coalition of the wounded have been especially tumultuous with the rise and fall of populist politicians such as Julius Malema the terrible events at Marikana and the embarrassing Guptagate scandal What lies behind these developments How does the Zuma presidency exercise its power Who makes our foreign policy What goes on in cabinet meetings What is the state of play in the Alliance is the SACP really more powerful than before And as the landscape shifts what are the opposition s prospects In The Zuma Years Richard Calland attempts to answer these questions and more by holding up a mirror to the new establishment by exploring how people such as Malema Chief Justice Mogoeng Mogoeng and DA parliamentary leader Lindiwe Mazibuko have risen so fast by examining key drivers of transformation in South Africa such as the professions and the universities and by training a spotlight on the toxic mix of money and politics The Zuma Years is a fly on the wall insider s approach to the people who control the power that affects us all It takes you along the corridors of government and corporate power mixing solid research with vivid anecdote and interviews with key players The result is an accessible yet authoritative account of who runs South Africa and how today **"Code of Massachusetts regulations, 2011"**,2011 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 The Common Law Jurisprudence of the Conflict of Laws Sarah McKibbin,Anthony Kennedy,2023-05-04 This book presents a collection of leading common law cases in private international law ranging from the 18th to the 21st century The cases traverse issues of jurisdiction choice of law and the recognition and enforcement of foreign judgments Questions of marital validity domicile foreign immovable property and choice of law in contract are just some of the topics that this collection examines The unusual factual situations of some 18th and 19th century English cases also reveal compelling human interest stories and political controversies worthy of further exploration Drawing on a diverse team of contributors this edited collection showcases the research of eminent conflicts scholars together with emerging scholars from the United Kingdom Australia Canada Ireland and South Africa *Private International Law in Nigeria* Chukwuma Okoli,Richard Oppong,2020-06-11 This book examines the rules principles and doctrines in Nigerian law for resolving cases involving cross border issues It is the first book length treatise devoted to the full spectrum of private international law issues in Nigeria As a result of increased international business transactions trade and investment with Nigeria such cross border issues are more prevalent than ever The book provides an overview of the relevant body of Nigerian law with comparative perspectives from other legal systems Drawing on over five hundred Nigerian cases relevant statutes and academic commentaries this book examines jurisdiction in interstate and international

disputes choice of law the enforcement of foreign judgments and international arbitral awards domestic remedies affecting foreign proceedings and international judicial assistance in the service of legal processes and taking of evidence Academics researchers and students as well as judges arbitrators practitioners and legislators alike will find *Private International Law in Nigeria* an instructive and practical guide **Gender and the Judiciary in Africa** Gretchen Bauer, Josephine

Dawuni, 2015-10-30 Between 2000 and 2015 women ascended to the top of judiciaries across Africa most notably as chief justices of supreme courts in common law countries like Ghana Nigeria Sierra Leone Gambia Malawi Lesotho and Zambia but also as presidents of constitutional courts in civil law countries such as Benin Burundi Gabon Niger and Senegal Most of these appointments was a first in terms of the gender of the chief justice At the same time women are being appointed in record numbers as magistrates judges and justices across the continent While women's increasing numbers and roles in African executives and legislatures have been addressed in a burgeoning scholarly literature very little work has focused on women in judiciaries This book addresses the important issue of the increasing numbers and varied roles of women judges and justices as judiciaries evolve across the continent Scholars of law gender politics and African politics provide overviews of recent developments in gender and the judiciary in nine African countries that represent north east southern and west Africa as well as a range of colonial experiences postcolonial trajectories and legal systems including mixes of common civil customary or sharia law In the process each chapter seeks to address the following questions What has been the historical experience of the judicial system in a given country from before colonialism until the present What is the current court structure and where are the women judges justices magistrates and other women located What are the selection or appointment processes for joining the bench and in what ways may these help or hinder women to gain access to the courts as judges and justices Once they become judges do women on the bench promote the rights of women through their judicial powers What are the challenges and obstacles facing women judges and justices in Africa Timely and relevant in this era in which governmental accountability and transparency are essential to the consolidation of democracy in Africa and when women are accessing significant leadership positions across the continent this book considers the substantive and symbolic representation of women's interests by women judges and the wider implications of their presence for changing institutional norms and advancing the rule of law and human rights *The Conflict of Laws* Adrian Briggs, 2024-03-07 *The Conflict of Laws* provides an introduction and analysis of the rules of private international law as they apply in England describing the topic's three distinct branches comprising the conflict of jurisdictions the conflict of judgments and the conflict of laws The volume covers a broad range of topics from examining different jurisdictions the law applicable to contractual and non contractual obligations to the impact of foreign judgements and more Following a significant period of uncertainty as depicted in the previous edition this new fifth edition represents the subject as it has settled in the aftermath of the post Brexit upheaval It seeks to illustrate how the retained or assimilated EU law has been integrated into the overall structure of

private international law as it evolved in common law and to assess the extent to which the nature of the subject has been altered or otherwise affected by the Brexit changes The areas in which reform or other development may be needed are identified However the theme throughout is that the theoretical underpinnings of the subject are strong if not always appreciated are rational and robust It is designed to explain why the detailed rules which make up a subject which may appear at first sight to be complex are sensible and coherent

Legal Fictions in Theory and Practice Maksymilian Del Mar, William Twining, 2015-03-11 This multi disciplinary multi jurisdictional collection offers the first ever full scale analysis of legal fictions Its focus is on fictions in legal practice examining and evaluating their roles in a variety of different areas of practice e g in Tort Law Criminal Law and Intellectual Property Law and in different times and places e g in Roman Law Rabbinic Law and the Common Law The collection approaches the topic in part through the discussion of certain key classical statements by theorists including Jeremy Bentham Alf Ross Hans Vaihinger Hans Kelsen and Lon Fuller The collection opens with the first ever translation into English of Kelsen s review of Vaihinger s *As If* The 17 chapters are divided into four parts 1 a discussion of the principal theories of fictions as above with a focus on Kelsen Bentham Fuller and classical pragmatism 2 a discussion of the relationship between fictions and language 3 a theoretical and historical examination and evaluation of fictions in the common law and 4 an account of fictions in different practice areas and in different legal cultures The collection will be of interest to theorists and historians of legal reasoning as well as scholars and practitioners of the law more generally in both common and civil law traditions
