 Education** Mark A. Vonderembse, 2017-10-24 While many students parents educators and organizations who hire their
 graduates hold US universities in high regard the cost of higher education has risen much faster than the rate of inflation
 High costs in turn have severely limited access to higher education for large portions of the US population or caused
 graduates and those who fall short of graduation to face substantial student loan debt This book examines the root causes of
 these underlying problems and offers a comprehensive easy to understand high impact solution The book identifies actions
 that improve higher education outcomes including lower tuition costs better access for student from low and middle income
 homes faster throughput fewer dropouts and better job opportunities for graduates It links a real and implementable solution
 to the underlying problems and their root causes Upon finishing this book readers should understand why the performance of
 higher education needs to improve and have solid ideas about how to fix it The book focuses on public universities but the
 ideas discussed are also applicable to private for profit and not for profit universities The writing style is simple and direct

 introduced to the healthcare world *Dying of Whiteness* Jonathan M. Metzl, 2019-03-05 A physician s provocative Boston
 Globe and timely Ibram X Kendi New York Times Book Review account of how right wing backlash policies have deadly
 consequences even for the white voters they promise to help In election after election conservative white Americans have
 embraced politicians who pledge to make their lives great again But as physician Jonathan M Metzl shows in *Dying of
 Whiteness* the policies that result actually place white Americans at ever greater risk of sickness and death Interviewing a
 range of everyday Americans Metzl examines how racial resentment has fueled progun laws in Missouri resistance to the
 Affordable Care Act in Tennessee and cuts to schools and social services in Kansas He shows these policies costs increasing
 deaths by gun suicide falling life expectancies and rising dropout rates Now updated with a new afterword *Dying of
 Whiteness* demonstrates how much white America would benefit by emphasizing cooperation rather than chasing false
 promises of supremacy Winner of the Robert F Kennedy Book Award **Professional Journal of the United States Army**
