support and engagement from the board the executive management staff and other stakeholders alike Additionally it brings extra costs to the company in terms of hiring trained staff organising continuous training in the company publishing sustainability reports and subscribing to a rating system Sustainability must be nourished by a company s board as well as by all of its departments such as accounting marketing and human resources By the same token it is not enough for a company simply to declare itself a sustainable business or rely on past measures and reputation sustainability is an ongoing activity and one which has to be proved by periodically disclosing sustainability reports according to international rating systems In Sustainability and Management An International Perspective K ymet all yurt and lk Y ksel bring together international authors from a variety of specialisations to discuss the development aspects problems roadmap trends and disclosure systems for sustainability in management The result is a lively insightful exposition of the field Annual Report International Finance Corporation, 2005 Efficiency and Competition in Chinese Banking Yong Tan, 2016-10-27 Efficiency and Competition in Chinese Banking gives a comprehensive analysis of the industry including cost technical profit and revenue efficiency The Chinese banking industry is of global importance The book estimates the competitive condition of the sector using the Boone indicator Panzar Rosse Histatistic Lerner index and concentration ratio The author investigates the impact of competition on efficiency in Chinese banking while controlling for comprehensive determinants of bank efficiency This title complements Yong Tan's previous book Performance Risk and Competition in the Chinese Banking Sector also published by Chandos Analyzes efficiency in the Chinese banking industry Presents a robust analysis of competition in the Chinese banking sector using four competition indicators Considers the impact of competition on efficiency Explores the competitive conditions of different banking markets including deposit market loan market and non interest income market China's Banking Transformation James Stent, 2017 China's Banking Transformation describes the strengths and weaknesses of the Chinese banking system based on the author's 12 years serving on two Chinese bank boards Acknowledging the challenges banks face the book challenges conventional views maintaining that China s banks now function well within China s market socialist political economy and within China's traditional collectivist cultural world **International Conference on Oriental** Thinking and Fuzzy Logic Bing-Yuan Cao, Pei-Zhuang Wang, Zeng-Liang Liu, Yu-Bin Zhong, 2016-06-18 This proceedings book presents edited results of the eighth International Conference on Fuzzy Information and Engineering ICFIE 2015 and on Oriental Thinking and Fuzzy Logic in August 17 20 2015 in Dalian China The book contains 65 high quality papers and is divided into six main parts Fuzzy Information Processing Fuzzy Engineering Internet and Big Data Applications Factor Space and Factorial Neural Networks Information Granulation and Granular Computing as well as Extenics and Innovation Methods The Political Economy of Banking Governance in China Xuming Yang, 2017-04-21 Chinese state banks which were considered technically insolvent in the 1990s are at present among the largest and most important banks in the world This

book based on the author's research and also on his extensive experience of working in Chinese banks explores how Chinese

banks technical efficiency and organisational flexibility have been achieved whilst ownership and control by the Chinese Communist Party have continued The author reveals a distinctly non Western approach to corporate governance but one that has nevertheless worked very well Corporate Governance and Resource Security in China Xinting Jia, Roman Tomasic, 2009-10-20 Corporate governance has become a household term and investors across the world are demanding more transparency and accountability from controllers of listed corporations. The current resources boom that has been driven by soaring demand from China has brought China's listed resources companies into focus Some of these companies are beginning to be known internationally such as Sinopec PetroChina CNOOC in the oil industry and CHALCO aluminium but their governance structures are often not well known This book explores the corporate governance of these listed companies Compared with the governance of global companies such as BHP Billiton Rio Tinto Shell Shevron the governance of China's resources companies has special characteristics While the authors focus is on the governance of resources companies in China this book also tackles contemporary issues of resource security and environmental change which are closely related to the depletion of the world's natural resources Case studies of other international resources giants such as BHP Billiton Rio Tinto Shell and Chevron are provided to enhance our understanding of the differences that exist between them and Chinese resources companies This book will be of interest to the business community and to those readers who are interested in China and its governance related issues China Law Deskbook James M.
