4 , *Your Literacy Standards Companion, Grades K-2* Sharon Taberski,Jim Burke,2017-05-23 Standards based learning just got a lot easier This new version of the Common Core Companion provides a Smart Chart Index for all states implementing state specific ELA standards This index allows you to see in an instant which of your standards are the same as CCSS which differ and how and which page number to turn to for standards based teaching ideas Beyond that It s the same great go to guide for implementing the standards translating each and every standard for reading writing speaking and listening language and foundational skills into the day to day what you do

The Common Core Companion: The Standards

Decoded, Grades K-2 Sharon Taberski, Jim Burke, 2014-04-28 With the click of a mouse anyone has access to the standards. So aligning our instruction should be a snap. If only it were that simple. Jim Burke anticipated the challenges and developed the Common Core Companion series for K-12. In his next smart move he deferred to the talents of Sharon Taberski to be author of the K-2 volume. What makes Sharon Taberski's Common Core Companion that version of the standards you wish you had? It's the way Sharon translates each and every standard for reading, writing, speaking and listening, language and foundational skills into the day-to-day what you do: lesson ideas, best literacy practices, grouping configurations, adaptations for ELLs, anchor charts and so much more. It's all here, page by page. The standards for literature and informational texts put side by side for easier planning. More than a dozen teaching ideas for each standard. Recommendations on how to cultivate the habits of mind that are critical to meeting the standards, including interpersonal skills, collaboration and perseverance. A glossary of academic language for each standard. Teaching suggestions for how to support ELL students. Developmental debriefs to signal how you may need to adapt expectations to meet students where they're at. An online bank of graphic organizers, student reproducibles, sample classroom charts, rubrics and photos. Reproducible planning templates for each standard to help you map out lessons, select books, generate key questions and more. With more than 30 years of classroom experience in the primary grades and years of consulting in schools nationwide, Sharon Taberski has a depth of knowledge about what both students and teachers in this country need in order to cultivate the win-win of high expectations and high engagement in K-2. She is a nationally recognized educator, author and presenter and a leader in the field of early reading instruction. Her professional books and teaching materials have revolutionized the way primary teachers approach reading and remain classics in the field.

Word Aware 1 Stephen Parsons, Anna Branagan, 2021-09-28 Now in a fully updated second edition, this comprehensive and practical book outlines the theoretical underpinnings for vocabulary and acts as a how-to guide to developing word learning across the school and curriculum. It is packed with easy-to-implement activities, worksheets and resources that can be put into practice immediately with individual students or groups, whole classes and throughout the school. The Word Aware approach provides a structured framework to promote vocabulary development in all children and has been rigorously tried and tested. Now in full colour with photocopiable and downloadable materials, it is an outstanding resource that will be an essential addition to any school and classroom. The second edition of Word Aware 1 brings an even wider range of ready-to-go vocabulary activities, fine-tuned teaching techniques, enhanced resources to develop children's independent word learning skills. A step-by-step guide to developing a whole school approach, Word Aware 1 is an invaluable tool for teachers and other professionals looking to support children as they broaden their vocabulary. It is particularly suited to children aged 5-11 years but can easily be adapted for older children.
