**Analyzing Global Social Media Consumption** Wamuyu, Patrick Kanyi, 2020-10-16 Social media has revolutionized how individuals communities and organizations create share and consume information Similarly social media offers numerous opportunities as well as enormous social and economic ills for individuals communities and organizations Despite the increase in popularity of social networking sites and related digital media there are limited data and studies on consumption patterns of the new media by different global communities Analyzing Global Social Media Consumption is an essential reference book that investigates the current trends practices and newly emerging narratives on theoretical and empirical research on all aspects of social media and its global use Covering topics that include fake news detection social media addiction and motivations and impacts of social media use this book is ideal for big data analysts media and communications experts researchers academicians and students in media and communications information systems and information technology study programs

**Thus Until** Emilia Ilieva, Reuben Matheka, 2025-08-04 Thus Until A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style

Innovations for inclusive and sustainable growth of domestic food value chains: Fruits and vegetables value chains in Nigeria scoping report Takeshima, Hiroyuki, Yamauchi, Futoshi, Balana, Bedru, Adeyanju, Dolapo, Edeh, Hyacinth, Kadjo, Didier, Liverpool-Tasie, Lenis Saweda, Abdoulaye, Tahirou, Yegbemey, Rosaine Nerice, Ayanan, Mathieu, Olanipekun, Caleb I., 2023-11-14 Fruits vegetable value chains F V VC in Nigeria hold significant potential to continue toward sustainable inclusive food system transformation Domestic food system growth including that of F V remains crucial in achieving a healthy food environment and serving as a source of various micronutrients There is a need for bundles of innovations to address multiple challenges along F V VC in Nigeria characterized by a set of challenges that are unique to

developing countries and F V V F VC consists of many small actors farmers and traders whereby limited vertical coordination can lead to significant efficiency loss along the value chain Seasonal and temporal variations in supply demand gaps for F V commodities are substantial and considerable scope exists for reducing losses and enhancing the overall efficiency of the domestic F V sector Policy environments are also favorable for such efforts as the latest Agricultural Policy documents highlight the Nigerian government s interest in modernizing F V VC Given the significant involvement of women and youths in the sector F V VC development has substantial potential to contribute to Nigeria s inclusive development of agrifood systems The current domestic F V VC in Nigeria suffers from various sets of problems Access to quality seeds is limited due to the significant use of recycled seeds limited supply and high costs of certified seeds Cooling practices are inefficient due to insufficient access to the grid and off grid electricity limited knowledge of intermediate cooling methods applicable at the farm gate and constraining quality preservations at farm gate storage during transportation and storage at market premises Processing is insufficient due to the high costs of processing equipment and limited knowledge of the construction and operation of simpler less resource dependent processing facilities including drying of F V commodities Inappropriate packing such as the use of Rafia baskets instead of Reusable Plastic Crates which are commonly recognized is still prevalent potentially due to limited market coordination Based on the stakeholder consultations desk reviews validation workshops and availability of external resources we identified the following as critical interventions to pilot various innovation bundles Intervention 1 provides improved varieties and quality seeds combined with agronomy training and certification in northern Nigeria through the collaboration with East West Seeds and Wageningen University Research Intervention 2 provides off grid cooling and cool transportation including forced air evaporative cooling units at farm clusters and the combination of small and large refrigerated trucks for local and longer distance transportation through the collaboration with ColdHubs and MIT Lab Intervention 3 introduces improved solar dryers and provides training on appropriate hygienic processing methods building and utilization of these driers possibly combined with the introduction of a business model through the collaboration with World Vegetable Center and Nigerian Stored Products Research Institute Intervention 4 provides plastic crates using various rental arrangements and improves market access for farmers through collaboration with private companies including Bunkasa Intervention 5 supplements interventions 1 2 and 3 and provides improved information through certification and labeling Lastly Intervention 6 strengthens linkages between existing solar powered cold storages to supplement other interventions
