guide to the industry's It List **Abuse Your Illusions** Russ Kick, 2003-05-01 The third of Russ Kick's bestselling Disinformation Guides gathers another all star line up of exposés. Juries have ruled in recent trials that Watergate was really about a Democratic Party prostitution ring. Ignored in the U.S. and distorted elsewhere, the Milosevic tribunal hasn't gone the way authorities were anticipating. We present exclusive first hand reporting from the trial. Most theologians don't believe in the physical Resurrection of Jesus. In 2001 the U.S. uncovered the biggest spy ring in the country since WWII yet most people never heard about it. The U.S. is engaging in bioweapons research that violates international treaties and federal law. The New York Times knows about this but refuses to report it. Teddy Roosevelt and Wall Street created Panama for profit. Gandhi wasn't so wonderful after all. These are just some of the revelations in the third of our all star anthologies. Following up on bestsellers *You Are Being Lied To* and *Everything You Know Is Wrong*, editor Russ Kick has again assembled a line up of leading investigative journalists, academics, activists, commentators and independent researchers covering CIA assassinations, the anthrax attacks, fluoride TWA 800, Abraham Lincoln child protective services, the tobacco industry, forgotten uprisings, the government's missing trillions, even more revelations about 9/11 and much more. Contributors include Gary Webb, Greg Palast, Noreena Hertz, Howard Zinn, Douglas Valentine, Jim Houghan, Kristina Borjesson, Arianna Huffington and many more well known writers, some of whom you'll be extremely surprised to see in these pages.

"The" Athenaeum, 1889 **The Spirit Book** Raymond Buckland, 2005-09-01 Never say die. Can the living communicate with the dead? Many believe that spirits are constantly about us and that it is possible through a variety of means to speak to them and to have them speak to us. *The Spirit Book*, *The Encyclopedia of Clairvoyance, Channeling and Spirit Communication* looks at these methods of communication, their history and the personalities involved throughout the past three hundred years of this eternal quest. The fascinating history of Spiritualism is coaxed into the material realm as the object of this perceptive and sweeping overview by that legendary author of the occult and supernatural, Raymond Buckland. Drawing on decades of research, writing and transcendence, he describes sundry methods of channeling, events associated with Spiritualism including séances and exorcism, organizations focused on clairvoyance and a colorful host of mortals, famous and infamous who delved into Spiritualism. Nostradamus, Helena Blavatsky and Edgar Cayce receive their due as well as Joan of Arc, William Blake, Susan B. Anthony, Winston Churchill, Arthur Conan Doyle, Mahatma Gandhi, Harry Houdini and Mae West. Look up and see her sometime. *The Spirit Book* explores Qabalah, Sibyls, Fairies, Poltergeists, phenomena such as intuition and karma, objects useful in the attempt to cross the divide including tarot cards, flower reading and runes and related practices such as Shamanism, transfiguration, meditation and mesmerism. This comprehensive reference also reports on investigations of contemporary manifestations including electronic voice phenomena and spirit appearances on TV screens plus channeling fraud, psychic research and possession. Containing

more than 500 entries and 100 illustrations this fun fact filled tome is richly illustrated Its helpful bibliography and extensive index add to its usefulness

Americanization of History Kathleen McDonald, 2010-10-12 This collection of essays searches for how history and literature translate into filmic texts that then reflect the time and place of the translation Major motion pictures as well as television movies and series are the sites of this exploration The opening essay surveys what films tell us it means to be set in a medieval time while the second looks at one of the most powerful movie studios since the earliest days of movie making Walt Disney Studios The second section investigates classic Americana by delving specifically into the hegemonic power of Walt Disney Studios by considering the union between the American pastime of baseball and the great white way of Broadway and by discovering the constantly morphing relationship of the icons of the Wild West Section three looks at characters living outside of roles considered socially appropriate in their world vampire slayers mobsters and those with multiple personalities The fourth section studies how present day mores of power and beauty control revisions of historically based stories through issues of vengeance race sexuality and the notion of beauty itself The final section takes up the question of what it means to historicize the present moment and analyzes the current period via a very popular and long running show s depiction of sexuality as accepted or rejected within a paradigm that appears not merely to tolerate but actively to promote deviance The last essay questions the very concepts of time and history themselves The articles do not reach one conclusion regarding this topic but instead provide a variety of perspectives which help to theorize the issue for the discerning reader
