The experienced author team and AAOS medical editors have transformed the Education Standards into a training program that reflects current trends in prehospital medicine and best practices. New cognitive and didactic material is presented along with new skills and features to create a robust and innovative training solution for your course that will engage students' minds. Interactive resources including online testing and assessment materials, learning management system, and eLearning student resources allow you the flexibility to build the course that works best for you and your students. The Tenth Edition is the only way to prepare EMT students for the challenges they will face in the field. Success! for the EMT Joseph J. Mistovich, Edward Kuvlesky, 2006-10. A review system that combines exam style questions with a self assessment format to help students pass their National Registry and other certification exams. From publisher's description. EMT-Intermediate and Paramedic Certification Preparation and Review Daniel Mack, Keith Wesley, 2006-10. This revised reprint is now updated to reflect the new 2005 emergency cardiac care guidelines. It provides a comprehensive review of material covered in both the EMT I and Paramedic national standard curricula. More than 1600 questions consist of multiple choice, fill in the blank, and discussion questions. Fifty illustrations form the basis for certain questions within the book. Other questions are written in a scenario based format. This revised reprint is now updated to reflect the new 2005 emergency cardiac care guidelines. It is the only review book to cover both intermediate and paramedic certification. Numerous scenario based questions let students solve real life problems. Questions are grouped by subject within each chapter allowing students to test their knowledge of particular subjects without having to wade through unrelated questions. Comprehensive rationales help students understand why a particular answer is right or wrong; the rationales provide additional instruction and review. Answer sections are clearly marked with solid bars along the page margin helping students find the answers quickly. A sample final exam covers information from all areas of the US DOT curriculum and prepares students for certification. *EMT Exam Secrets Study Guide* Mometrix Exam Secrets Test Prep Team, 2015-02-25.
