Encouraging Words For Your First Christmas Alone:

Encouraging Words for Your First Christmas Alone Cindi Dawson,2014-12-03 According to the song Christmas is the most wonderful time of the year But not for everyone not for you and not right now While everyone is putting up a tree hanging stockings buying presents and singing carols you are doing well to lift your head off the pillow each morning put your feet on the floor and get dressed for the day No one seems to understand that you don't want to decorate a tree hang the stockings sing carols and wrap presents You don't even want to think about Christmas or be festive But God knows And He understands Right now you are going through a myriad of conflicting emotions fear anger worry and it's worse because it's Christmastime And you might not know where to turn for the courage and strength to face what you have in your future But there's good news The Bible God's Word contains many helpful and supporting scriptures that can help you through this difficult and seemingly insurmountable time of year This little book can help you cope with specific emotions when they seem to be crashing down on you relentlessly So when you can't breathe and feel like no one is listening look up your biggest challenge at the moment and take comfort in these verses from God's Word Whether the middle of the day or those darkest hours in the middle of the night God's comfort is there for you The book is organized into the biggest emotional challenges you are facing right now and includes a chapter of promises Blessings of Encouragement Instead of looking through the Bible trying to find all the verses that can encourage you just look in the chapter that speaks most closely to what you are feeling The best verses are already gathered into each chapter ready when you need them Each verse is taken from The Holman Christian Standard Bible in everyday language that speaks directly to you Don't go through the Christmas season alone Let this little book and these verses from God's Word provide the comfort you are seeking *Attitude Affects Your Health*
