Savannah Morrison has no one but herself to blame for practically shoving Garrick into the arms of another man. She loves Garrick with all her heart but how the hell is she going to share him with Rhian. Rhian Savage used to have such a simple life. Now he's in love, his dreams of making the NHL are coming true, and he keeps spotting a strangely familiar face in the crowds. To top it all off, he has to see Savannah every day. He knows she's Garrick's real future, but he doesn't have the balls to do the right thing for all of them and break it off with Garrick until his life goes sideways. As usual, now Rhian is alone. Garrick is heartbroken, and Savannah, the one person Rhian figured would celebrate his departure, is beating down his door. What the hell is up with that? A Merry Little Hat Trick Christmas. Something is bothering Rhian, and his friends and family want to know what that is. Garrick and Savannah are trying to give him some space to come to them about it. His teammates are convinced that nights out and beautiful women making eyes at him will make it better. And his grandfather and sister just want him to know that he is loved. Rhian Savage does know he's loved. He just wishes everyone else knew it too. *The Crashing Box Set* Samantha Wayland, 2022-02-22. This is the boxed set of the first three books in the Samantha Wayland's Crashing Series. This is a very sexy and slightly kinky romance series with no cheating, no cliffhangers, and all the HEA anyone could want. Crashing the Net: Dumping gallons of lube on the new kid is just another day at the office for Alexei. He knows exactly who he is: a goalie on the ice, a prankster in the locker room, and a man who knows better than to share his private life with anyone. He's let people in before, and it's taught him that if he can't have what he really wants, it's better to be alone. Mike is broke, bruised, and covered from head to toe in cheap lube. All he wants is to keep to himself and play for the Ice Cats. What he needs, though, is another matter entirely. Checking It Twice: After four years with Alexei, there are things Mike knows with absolute certainty: he loves Alexei, Alexei loves him, and Alexei gives the very best gifts. This Christmas is no exception, though. Mike is having a hell of a time figuring out what exactly Alexei's gift is. Alexei knows his gift this year is going to blow Mike's mind, but in the meantime, it's pretty hilarious watching Mike try to figure out what it is. Granted: Alexei does have a lot of surprises in store for Mike this week, and it's sure as hell isn't frankincense and myrrh. Changing the Rules: Alexei and Mike have been together a long time. They're getting married. They can go a few nights not sleeping next to each other, right? For the sake of the team, Alexei is going to try. Mike can't stand not sleeping next to Alexei, and it turns out sleep deprivation makes him overthink things he wasn't planning to think about at all until the off-season, like the fact they've been engaged for over a year and haven't set a date. *At the Edge* John Cox, 2020-12-04. Book 1 details the exploits of a small group of GIs as they face the pressures and demands of fighting a changing, disappearing enemy. They are plagued with dwindling support, disaffection of the American public, confused double-talking politicians, and power struggles within the entire governmental effort. The novel's surveillance and tunnel exploration methods introduced in this book set the tone for additional books and illustrate how common sense can often triumph. Book 2 takes our team to the next level by adding long-term sniper training for ultimately all bases with novel surveillance techniques and equipment. **Great Glasgow Characters** John Burrowes, 2011-09-30.

There are few cities in the world to rival Glasgow and the extraordinary happenings that have occurred there and in this engrossing sequel to *Great Glasgow Stories* more of the finest of these are recounted From the story of the biggest youth movement the world has ever known to the life and crimes of Scotland's most colourful criminal Johnny Ramensky whom even the police dubbed Gentle Johnny a vivid picture of the city's eventful history emerges Elsewhere the hilarious scenes that greeted the most sensational visitor Glasgow ever had Hitler's deputy Rudolf Hess are recounted and the shocking case of one of BBC radio drama's best known personalities who was found brutally murdered in his flat in Govan is explored Read too about doomed pugilist Jackie Peterson dubbed the second Benny Lynch and about the accidental death in 1931 of Celtic's Prince of Goalkeepers John Thomson which shocked the city and remains the saddest event in the club's history These are just some of the highlights to be found in this compelling collection of stories about the great city of Glasgow and its myriad entertaining characters
