

For A Special Nephew

*I'm not sure where all the years have gone,
But there's one thing I want you to know,
You've been such a "shining star" in my life,
And I've really loved watching you grow!*

*You've given me moments of laughter,
And memories that warm the heart,
Of a nephew who's been such a treasure,
A joy to be with...from the start.*

*And though time has passed much too quickly,
I'm grateful and so proud to see,
That the wonderful, young man before me,
Is the person I knew you would be!*

Silvae Book II P. Papinius Statius, 2018-07-17 The five books of the *Silvae* bring together the occasional verses which Statius wrote in addition to his two epics In these short descriptive poems Statius elaborates features taken from various genres into an original whole in which description and eulogy play important roles The main themes of the poems of his second book are consolation after bereavement and the contrast between nature and culture The present work contains a general introduction a text of *Silvae II* a bibliography and an index together with a verse by verse commentary on the poems of this second book This is the first commentary on a book of the *Silvae* since Vollmer's commentary on the whole of the *Silvae* of 1898 Emphasis is here placed on interpretation and moreover chiefly on the literary and stylistic aspects of the poems which compared with the epic poetry of Statius and his contemporaries have hitherto received relatively little attention
