revolutionary text introduces you to the five different gears or mindsets that carry you through various facets of your day. These include First gear when you fully rest and recharge. Second gear when you connect with family or friends without the involvement of work. Third gear when you are socializing. Fourth gear when you are working and multi-tasking. Fifth gear when you are fully focused and in the zone working without interruption. Using these gears consistently allows you to bring a new level of relational intelligence to your life that offers a competitive advantage in our task-driven world. All too often people go through life without truly connecting and can as a result miss out on experiences and relationships that have the power to bring them great joy. By understanding how the five gears presented in this engaging book work, you can improve your ability to connect with the world around you. Explore why some people stay disconnected from the people and events around them and why others always seem to have a deep connection to their friends, family, and surroundings. Learn how to set triggers and markers that help you shift into the right gears at the right time, which will increase your relational dynamics and make you more productive. Create positive change in the dynamics of your relationships. Improve your respect and influence and learn a sign language that when used can change your perspective and your world. **5 Gears: How to Be Present and Productive When There Is Never Enough Time** is the perfect resource for anyone who wants to live and lead connected.
