- A) claim compliance with GIPS only if it has a compliant performance history of at least five years.
- B) apply GIPS compliance firmwide and not only to the specific asset classes mentioned in the marketing materials.
- C) include each discretionary fee-paying account in a composite based on its investment objectives and/or strategies. - ANSWER A)

GIPS require a firm to show a GIPS-compliant history for a minimum of five years, or since inception of the firm or the composite if in existence for less than five years. If Reliable has been in business for less than five years, it may still claim compliance with GIPS on a since-inception basis, provided the firm follows all other aspects of compliance. The other choices are requirements for a firm to claim compliance with GIPS.
