Ebook: Managerial Accounting - Global Edition Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis and throughput costing while also including traditional topics such as job order costing, budgeting and performance evaluation. Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U S edition.

Solutions Manual Hilton, 1996-09-01 *PROJECT APPRAISAL AND FINANCING, SECOND EDITION* GUPTA, AMBRISH, 2023-08-01 Project Appraisal and Financing now in its Second Edition is thoroughly revised and updated. While retaining its basic character, the subject matter has been further simplified, rationalized, abridged and enhanced qualitatively in virtually every chapter. In view of the ever growing ecosystem of startups in our country, a new chapter on Startups and Their Funding has been added in the book. Primarily intended for the students of MBA PGDM PGDBM and other allied courses such as MFC and MBE, the latest edition will also be of immense value to the students of CA, CWA, CS, CFA, CPA and CAIIB. Besides, it will be equally beneficial for the executive development and in-company training programmes on project appraisal and financing. Project finance executives in consulting firms and lending institutions and banks will also be benefited from the book due to its practical orientation. **KEY FEATURES** Comprehensive coverage and treatment of the subject matter. Practical approach in dealing with the subject, thus making the text easy to comprehend. Large number of varying illustrations and exercises. Large number of case studies, including 2 written by the author, registered with The Case Centre UK USA. A new chapter on Startups and Their Funding. **TARGET AUDIENCE** Students of MBA PGDM PGDBM MFC and MBE CA CWA CS CFA CPA and CAIIB. **EBOOK: Cost Management: Strategies for Business Decisions,**

International Edition Marc Wouters, Frank Selto, Ronald Hilton, Michael Maher, 2012-07-16 This book is an adaptation of the successful US text Cost Management by Hilton, Maher and Selto, written specifically for an international audience. Major improvements include diverse and truly international examples of organizations. Examples used throughout the book are from all over the world and represent manufacturing, retail, not-for-profit and service firms in many different countries. Completely restructured and rewritten text. The book has been rewritten, restructured and also shortened significantly to align content closer with international courses. Integral use of spreadsheets. Spreadsheet software is used for explaining

techniques and making applications more realistic In depth research Summaries of international research studies that address important cost management issues have been updated and more references to recent research findings have been added Intuitive explanation of accounting The authors show directly how events impact the balance sheet and profit and loss account
