

Manipal Manual of Surgery with Clinical Methods for DENTAL STUDENTS

This unique Manual has been written specially for BDS III students. First of its kind, it covers theory topics, clinical discussions and clinical methods of examination in a very simple format with flowcharts, tables, key boxes, line diagrams and photographs. The Manual covers general surgery and relevant speciality topics contributed by consultants and specialists. The viva voce chapters will help in decreasing the student's anxiety before the examination. It aims to help the students in preparing for the theory, clinical and viva voce examinations. The clinical case reports included in the form of clinical notes present an interesting concept which will prepare the readers in understanding the clinical problems better. The Manual is based on the author's 22 years of teaching experience to medical and dental students at one of the best institutions in the country, Kasturba Medical College, Manipal, now a unit of Manipal University, Karnataka, India.
