Directions

Do not open this booklet until you have read all the directions and answered all the questions.

Your answers to these questions will help show you how you like to look at things and how you like to go about deciding things. There are no "right" or "wrong" answers. Knowing your own preferences and learning about other people's can help you understand what your strengths are, what kinds of work you might enjoy, and how people with different preferences can relate to one another and contribute to society.

Read each question carefully and indicate your answer by making an "X" in the appropriate box next to the response you select. Use a ballpoint pen and press firmly. Do not spend too much time thinking about any one question. If you cannot decide on an answer, skip that question and return to it later. If you make a mistake, do not erase but blacken in the box marked in error.

Now, unless you have been instructed otherwise, turn the booklet over and begin answering the questions.
