The bill-S. 27 (Bipartisan Campaign Reform Act of 2001)- was introduced on January 22, 2001 by Senators McCain, Feingold, Cochran *et al.* It features a ban on the raising of soft money by national parties, a ban on the spending of soft money by state and local parties on federal election-related activities (as defined), and a disclosure requirement for electioneering messages not regulated by federal election law, along with a ban on their funding from union or for-profit corporation treasuries. Another bill receiving considerable Senate attention is S. 22 (Open and Accountable Campaign Financing Act of 2001), introduced on January 22, 2001 by Senators Hagel, Landrieu *et al.* It features limits on soft money donations to national parties, increases in hard money contribution limits, and a requirement that broadcasters make information available on groups engaging in issue advocacy. Inside the Campaign Finance Battle Anthony Corrado, Thomas E. Mann, Trevor Potter, 2004-05-26 In 2002 Congress enacted the Bipartisan Campaign Reform Act BCRA the first major revision of federal campaign finance law in a generation In March 2001 after a fiercely contested and highly divisive seven year partisan legislative battle the Senate passed S 27 known as the McCain Feingold legislation The House responded by passing H R 2356 companion legislation known as Shays Meehan in February 2002 The Senate then approved the House passed version and President George W Bush signed BCRA into law on March 27 2002 stating that the bill had flaws but overall improves the current system of financing for federal campaigns The Reform Act was taken to court within hours of the President s signature Dozens of interest groups and lawmakers who had opposed passage of the Act in Congress lodged complaints that challenged the constitutionality of virtually every aspect of the new law Following review by a special three judge panel the case is expected to reach the U S Supreme Court in 2003 This litigation constitutes the most important campaign finance case since the Supreme Court issued its decision in *Buckley v Valeo* more than twenty five years ago The testimony submitted by some of the country s most knowledgeable political scientists and most experienced politicians constitutes an invaluable body of knowledge about the complexities of campaign finance and the role of money in our political system Unfortunately only the lawyers political

scientists and practitioners actually involved in the litigation have seen most of this writing until now Inside the Campaign Finance Battle makes key testimony in this historic case available to a general readership in the process shedding new light on campaign finance practices central to the congressional debate on the reform act and to the landmark litigation challenging its constitutionality

State of Campaign Finance Policy: Recent Developments and Issues for Congress, *The Particularistic President* Douglas L. Kriner, Andrew Reeves, 2015-06-12 As the holders of the only office elected by the entire nation presidents have long claimed to be sole stewards of the interests of all Americans Scholars have largely agreed positing the president as an important counterbalance to the parochial impulses

of members of Congress This supposed fact is often invoked in arguments for concentrating greater power in the executive branch Douglas L Kriner and Andrew Reeves challenge this notion and through an examination of a diverse range of policies from disaster declarations to base closings to the allocation of federal spending show that presidents like members of Congress are particularistic Presidents routinely pursue policies that allocate federal resources in a way that disproportionately benefits their more narrow partisan and electoral constituencies Though presidents publicly don the mantle of a national representative in reality they are particularistic politicians who prioritize the needs of certain constituents over others

Olsen, 2018-10-25 While much is known about who votes in American elections much less is known about who donates In this book the authors utilize a unique and historically unprecedented data set of donors from the 2008 and 2012 presidential elections to answer longstanding questions what is the relationship between donors and candidates How do candidates attract and respond to contributors How do campaign strategies reflect changing campaign finance laws and the development of the internet With unprecedented cooperation from the Obama McCain and Romney campaigns the authors investigate presidential campaign donors at all giving levels to produce the most systematic and complete analysis of donors to presidential nominees to date As elections are decided increasingly by donors dollars Who Donates to Campaigns provides relevant research on the broader trends in partisan polarization and more generally on how campaigns can engage more citizens in political participation

Epic Journey James W. Ceaser, 2011-03-16 Noted campaign scholars James W Ceaser Andrew E Busch and John J Pitney Jr take readers along on the longest most expensive and in many ways most dramatic presidential campaign in American history Drawing on their extensive knowledge of political history and deep resources of current political science the authors capture the astonishing twists of fate uncanny detours and remarkable surprises that made the 2008 election truly historic With President George W Bush s approval ratings at record lows the 2008 election was a contest that Democrats were predicted to win And with Barack Obama s victory over John McCain they did But it was the highly unlikely journey to this likely destination that set this presidential election apart from others As they have every four years since 1992 James W Ceaser and Andrew E Busch once again provide the most comprehensive and authoritative account of the presidential election Joined on this book by John J Pitney Jr the authors chronicle the epic journey culminating in the election of the first African American president of a group of extraordinary candidates and a nation Epic Journey Authors Blog www.epicjourney2008.com , 2018-11-01 ThompsonCourierRakeRegister_2018 11 01 **The Change Election** David Magleby, 2011 A thorough assessment of how the 2008 elections were financed and conducted *Record* , 2001
