

What is Included

Practice problem sets are taken from Engage New York and reformatted. The font has been changed and each lesson can be found on a separate page.

Detailed answer keys with work provided to show the process used to find the solution, are included imposed over the original worksheet. Due to the detail provided, the page numbers in the detailed answer key will not always line up with the page numbers in the practice problem sets.

Both sets of materials are saved PDF format and cannot be changed. I've tried to be as accurate as possible, and these keys have been used within my own classrooms. However, if you do find an error, please notify me and I will update as necessary.
