Engaging with Hindus Robin Thomson, 2014-10-07 An introduction to what Hindus believe and how Christians can reach out to them with the gospel Hindus represent the third largest faith in the world and yet many Christians know very little about their beliefs and lifestyle This short book is designed to help both Christians and whole churches understand more about Hindus and to reach out to them with the good news of the gospel Both practical and warm this book shows that every Christian is able to share their faith with Hindu friends and neighbours *Engaging Hinduism* Christopher Poshin David, 2020 Hinduism is now truly a global spiritual phenomena and no more merely the prevailing religious and philosophical worldview of India alone Christians through the centuries have meaningfully tried to engage with Hinduism but with limited success Hinduism continues to be the Indian Church's biggest challenge calling for an intellectually robust and comprehensive system of apologetics To address this the book introduces presuppositional apologetics a Biblical and relatively untried model of apologetics in India Scholarly and at the same time practical the author demonstrates how presuppositional apologetics can be effectively employed in the Indian context by engaging with the neo Hindu philosophical thought of Swami Vivekananda Book jacket *Hinduism in America* Jeffery D. Translating the Bible Into Action, 2nd Edition Margaret Hill, Harriet Hill, 2022-06-15 When Jesus was born to Mary God translated himself into our human world This act of God's translation continues today wherever the gospel is expressed in each language and lived out in each culture that makes up our diverse world Unfortunately the church often ignores its cultural and linguistic diversity and instead imposes a dominant language and culture for expressing faith This textbook seeks to challenge that situation By identifying common barriers that prevent people from engaging with Scripture the authors explore the ways churches can maintain unity in Christ and celebrate the diversity of their membership Addressing a wide range of relevant issues and using practical applications this revised and updated edition re-establishes the importance of good contextual Scripture engagement A key resource in helping church leaders encourage people to communicate with God in their own language and to discover that Christ wants to make himself at home in their world Hinduism in the
