How To Secure Facebook Fan Pages Step By Step Course:

Digital Analytics for Marketing Gohar F. Khan, Marshall Sponder, 2017-10-05 This comprehensive book provides students with a grand tour of the tools needed to measure digital activity and implement best practices for using data to inform marketing strategy. It is the first text of its kind to introduce students to analytics platforms from a practical marketing perspective. Demonstrating how to integrate large amounts of data from web, digital, social, and search platforms, this helpful guide offers actionable insights into data analysis, explaining how to connect the dots and humanize information to make effective marketing decisions. The author covers timely topics such as social media, web analytics, marketing analytics, challenges, and dashboards, helping students to make sense of business measurement challenges, extract insights, and take effective actions. The book's experiential approach, combined with chapter objectives, summaries, and review questions, will engage readers, deepening learning by helping them to think outside the box. Filled with engaging, interactive exercises and interesting insights from an industry expert, this book will appeal to students of digital marketing, online marketing, and analytics. A companion website features an instructor's manual, test bank, and PowerPoint slides.

Fundraising For Dummies John Mutz, Katherine Murray, 2010-02-04 The fun and easy way to raise money for your cause. *Fundraising For Dummies* 3rd Edition shows you how to take advantage of the latest strategies and resources available for raising money through everything from special events to online donations in both good and bad economic times. The authors teach you how to market your organization using the most up-to-date tools and technologies available through the Internet. This expanded edition also offers information about philanthropy and tax law. Contains new tips and techniques for creating materials that bring in contributions and support for the more than 1.4 million charitable and nonprofit organizations in the United States. Explains how to use social media to keep donors and volunteers engaged through Facebook, LinkedIn, Twitter, and Web technologies. Covers grassroots online fundraising and how to host big events on a shoestring budget. You'll also find tips on negotiating without alienating donors and developing long-term organizational goals. All these strategies are what makes this resource indispensable.
