Individual Student Data Notebooks:

The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It is based on a hugely successful initiative carried out at the A B Combs Elementary School in North Carolina. To hear the parents of A B Combs talk about the school is to be amazed. In 1999 the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children who blossomed under the programme. By the end of the following year the average end of grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits that have already changed the lives of millions of people and shows how children can use them as they develop. Those habits begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize and sharpen the saw. These are critical skills to learn at a young age and bring incredible results, proving that it is never too early to teach someone how to live well. *The Active Classroom*

Field Book Ron Nash, 2010-07-23 Expanding on the strategies in *The Active Classroom*, Nash shares the stories of teachers who have successfully implemented active teaching methods in their classrooms to engage students in learning. *Student Self-Assessment* Katie White, 2021-10-22 Increase the achievement of every learner with Student Self Assessment. Understand how self-assessment skills benefit students now and in the future. Learn how to set up a self-assessment process and document learning. Train students to analyze and reflect on their own performance. Set strong, achievable goals in order to motivate students to realize their potential. Celebrate successes and continue to engage students with self-assessment.
