

I. CONCEPT NOTES

*Nature of Cost***Definition of Cost and Other Related Terms**

Cost – amount of resources sacrificed (given up or used) in order to obtain some present or future economic benefits which will promote the profit-making ability of the enterprise.

Cost Object – anything for which cost is computed or assigned. (e.g. a product, a product line, a business unit)

Cost Drivers – any variable/factor that usually affects cost over a period of time. (e.g. production, number of hours worked)

Cost Pool – a grouping of similar cost items. (e.g. factory overhead, advertising cost)

Activity – an event, action, transaction, task or unit of work with a specified purpose.

Value-adding Activities – activities that are necessary to produce a product.

Non-value-adding Activities – activities that do not make the products more valuable to the customer.

*Classifications of Cost***As to Function**

1. **Manufacturing Costs** – all costs incurred in the factory to convert raw materials into finished goods.
 - a. **Direct Materials** – raw materials cost that becomes integral part of the finished product and that can be conveniently and economically assigned to specific units manufactured.
 - b. **Direct Labor** – all labor costs related to time spent on products that can be conveniently and economically assigned to specific units manufactured.
 - c. **Manufacturing Overhead** – all other costs incurred in the factory aside from direct materials and direct labor.
2. **Non-Manufacturing Costs** – all costs which are not incurred in transforming materials to finished goods.
 - a. **Selling/Marketing/Distribution Costs** – all costs associated with marketing or selling a product.
 - b. **General and Administrative Costs** – all executive, organizational and clerical costs associated with the general management of the organization rather than with manufacturing, marketing or selling.

As to Timing of Recognition as Expense

1. **Product Costs** – costs that “attach” or cling to the units that are produced and are reported as assets until the goods are sold.
2. **Period Costs** – costs that are recognized as expense in the income statement on the period in which the cost was incurred.

As to Traceability to Cost Object

1. **Direct Costs** – costs that are related to a particular cost object and can economically and effectively be traced to the cost object.
2. **Indirect Costs** – costs that are related to a cost object, but cannot practically, economically, and effectively be traced to that cost object.

As to Managerial Influence

1. **Controllable Costs** – costs that are subject to significant influence by a particular manager within the time period under consideration.
2. **Noncontrollable Costs** – costs over which a given manager does not have significant influence.

As to Time-Frame Perspective

1. **Committed Costs** – costs that are inevitable as consequence of a previous commitment.
2. **Discretionary Costs** – costs for which the size or the time of incurrence is a matter of choice.

For Decision-Making

1. **Relevant Costs** – future costs that will differ under alternative courses of action.
2. **Differential Costs** – difference in costs between any two alternative courses of action.
3. **Opportunity Costs** – income or benefit given up when one alternative is selected over another.
4. **Sunk Costs** – costs already incurred and cannot be changed by any decision made now or to be made in the future.

As to Behavior

1. **Variable Costs** – costs which change in total amount directly in proportion to the change in the activity level but remain constant on a per unit basis within the relevant range and time period under consideration.

Individual Behavior Learning Packets Introduction

In today's digital age, the availability of Individual Behavior Learning Packets books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Individual Behavior Learning Packets books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Individual Behavior Learning Packets books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Individual Behavior Learning Packets versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Individual Behavior Learning Packets books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Individual Behavior Learning Packets books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Individual Behavior Learning Packets books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Individual Behavior Learning Packets books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Individual Behavior Learning Packets books and manuals for download and embark on your journey of knowledge?
