Japan Transformed Political Change And Economic Restructuring:

Japan Transformed Frances Rosenbluth, Michael F. Thies, 2010-04-12 With little domestic fanfare and even less attention internationally Japan has been reinventing itself since the 1990s dramatically changing its political economy from one managed by regulations to one with a neoliberal orientation Rebuilding from the economic misfortunes of its recent past the country retains a formidable economy and its political system is healthier than at any time in its history Japan Transformed explores the historical political and economic forces that led to the country's recent evolution and looks at the consequences for Japan's citizens and global neighbors The book examines Japanese history illustrating the country's multiple transformations over the centuries and then focuses on the critical and inexorable advance of economic globalization It describes how global economic integration and urbanization destabilized Japan's postwar policy coalition undercut the ruling Liberal Democratic Party's ability to buy votes and paved the way for new electoral rules that emphasized competing visions of the public good In contrast to the previous system that pitted candidates from the same party against each other the new rules tether policymaking to the vast swath of voters in the middle of the political spectrum Regardless of ruling party Japan's politics economics and foreign policy are on a neoliberal path Japan Transformed combines broad context and comparative analysis to provide an accurate understanding of Japan's past present and future *Political Reform Reconsidered* Satoshi Machidori, 2023-03-05 This Open Access book provides a comprehensive analysis of political reforms in Japan since the 1990s emphasizing the role of ideas in shaping their goals and outcomes For more than fifteen years following the collapse of Japan's economic bubble politicians business people and academics tackled a range of institutional reforms The sweeping changes they enacted covering almost all facets of the public sphere including elections public administration courts and the central bank fundamentally altered Japanese political processes and policies Taken together they arguably represent the final touches of Japan's political modernization which had been unfolding since the mid 19th century Throughout the reform process advocates were inspired by a combination of liberal and modernist ideas This book examines those guiding concepts and illustrates the often messy process of applying them to real world institutions While most reforms began from common goals they ultimately produced different and frequently unexpected institutional outcomes which continue to shape Japanese politics By focusing on the relationship between the ideas and processes that shaped Japan's reforms this book presents a broad vision of institutional change in comparative politics **Power in Contemporary Japan** Gill Steel, 2016-06-27 This book discusses Japanese conceptions of power and presents a complex nuanced look at how power operates in society and in politics It rejects stereotypes that describe Japanese citizens as passive and apolitical cemented into a vertically structured group oriented society and shows how citizens learn about power in the contexts of the family the workplace and politics As Japan grapples with the consequences of having one of the oldest and most rapidly ageing populations in the world it is important for social scientists and policy makers worldwide to understand the choices it makes Particularly as policy makers

have once again turned their attention to workers the roles of women families and to immigrants as potential solutions to the perceived problem of maintaining or increasing the working population These studies show the ebb and flow of power over time and also note that power is context dependent actors can have power in one context but not another **Japan from Koizumi to Abe** Ka Mei Samantha Ma, 2023-05-19 This book studies national security strategies introduced by the Koizumi administration 2001 2006 and the second Abe administration 2012 2020 Drawing on the common themes of normalization constitutional revision in particular Article 9 and the right of collective self defence the volume examines through the theory of neoclassical realism how and why the national security initiatives of the two administrations are different in their extent of normalization of Japan It shows how the policies were influenced by the respective Prime Ministers who responded to the international environment surrounding Japan during their tenure and were also shaped by internal concerns The volume will be of great interest to scholars and researchers of Asian studies politics and international relations Japan Keiko Hirata, Mark Warschauer, 2014-06-24 Following a crushing defeat in World War II Japan rose like a phoenix from the literal ashes to become a model of modernity and success for decades Asia s premier economic giant Yet it remains a nation hobbled by rigid gender roles protectionist policies and a defensive inflexible corporate system that has helped bring about political and economic stagnation The unique social cohesion that enabled Japan to cope with adversity and develop swiftly has also encouraged isolationism given rise to an arrogant and inflexible bureaucracy and prevented the country from addressing difficult issues Its culture of hard work in fact overwork is legendary but a declining population and restrictions on opportunity threaten the nation s future Keiko Hirata and Mark Warschauer have combined thoroughly researched deep analysis with engaging anecdotal material in this enlightening portrait of modern day Japan creating an honest and accessible critique that addresses issues from the economy and politics to immigration education and the increasing alienation of Japanese youth *Foreign Policy in Comparative Perspective* Ryan K. Beasley, Juliet Kaarbo, Jeffrey S. Lantis, Michael T. Snarr, 2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text *Foreign Policy in Comparative Perspective* has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book s accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs **Japan Decides 2017** Robert J. Pekkanen, Steven R. Reed, Ethan Scheiner, Daniel M. Smith, 2018-05-30 This third volume in the *Japan Decides* series remains the premier venue for scholarly research on Japanese elections Putting a spotlight on the 2017 general election the contributors discuss the election results party politics coalition politics with Komeito the cabinet constitutional revision new opposition parties and Abenomics Additionally the volume looks at campaigning public opinion media gender issues and

representation North Korea and security issues inequality immigration and cabinet scandals With a topical focus and timely coverage of the latest dramatic changes in Japanese politics the volume will appeal to researchers and policy experts alike and will also make a welcome addition to courses on Japanese politics comparative politics and electoral politics **A**

Natural Experiment on Electoral Law Reform Daniela Giannetti, Bernard Grofman, 2011-02-01 In the early 1990s major electoral reforms took place in both Italy and Japan each replaced a form of proportional representation in which voters cast a ballot for a party list with a mixed member system in which voters cast ballots for individual candidates and party lists The reforms were enacted by political elites in the context of divisions within the dominant party changing patterns of party support and party splits in efforts to retain power while responding to charges of corruption clientelism and lack of accountability The experiences of both countries provide a laboratory in which to investigate the effects and implications of the reforms and more broadly to analyze voter behavior in the context of institutional change The introduction provides an overview of post WWII politics and electoral reform in Italy and Japan In each of the next four chapters specialists in Italian and Japanese electoral politics are teamed up to review data both before and after the reforms Within this comparative framework the authors explore such topics as changes in party competition candidate selection mechanisms and intra party politics The concluding chapter considers the longer term consequences both anticipated and unanticipated of the reforms despite superficially similar conditions the effects in the two countries were dramatically different in Japan the new system has taken hold with minor modifications while in Italy there was a reversion to a proportional representation system As the essays in this volume demonstrate to understand why similar reforms had such different effects in the two countries we must examine how electoral systems are embedded in broader institutional and social arrangements and at the complex interplay of political geography political history and the rational calculations of political actors **Japan Decides 2014** Robert J.

Pekkanen, Ethan Scheiner, Steven R. Reed, 2016-01-26 Collecting original and high quality analysis by top scholars from Japan the United States Australia and Europe this volume analyzes the results of the 2014 election examining each of the major political parties central policy issues campaign practices and considers how the results were used as a mandate for massive policy reform **Contemporary Japanese Politics** Tomohito Shinoda, 2013-08-27 Tomohito Shinoda tracks slow yet steady changes in the operation of and tensions between Japan's political parties and the public's behavior in Japanese elections as well as in the government's ability to coordinate diverse policy preferences and respond to political crises *Aftermath*

Yutaka Tsujinaka, Hiroaki Inatsugu, 2018 *Aftermath Fukushima and the 3 11 Earthquake* is a comprehensive analysis of recovery and reconstruction following the triple disaster in Japan on March 11 2011 This collection addresses the question of why despite the relative success of network governance in brokering a response to the disaster and to reconstruction politics failed either to prepare for the disaster or to respond adequately to it In examining Japan's political system leading up to 3 11 *Aftermath* looks at the system of network governance that operated between various organizations and levels of government

The book scrutinizes the political influence network that united politicians and the bureaucracy with the major corporations and created a system to promote nuclear power Through political policy economic and social analysis Aftermath aims to contribute to the development of mechanisms and structures to minimize the impact of disasters Series Japanese Society Series Subject Politics Governance Japanese Studies Nuclear Studies **Spending Without Taxation** Gene

Park,2011-03-25 Annotation This work demonstrates how the Fiscal Investment Loan Program FILP enabled the Japanese government to run a neo classical fiscal policy based on low budget spending from the end of the 1940s to 1970 **Power Transition and International Order in Asia** Peter Shearman,2013-09-23 This edited volume examines how the transition and diffusion of power in global politics is impacting on stability and order in Asia Both in the academic field of International Relations IR and among policymakers the big question today concerns the rise of China the relative decline of the United States and the increasing importance of Asia in global politics The level of impact the international power transition will have in the region remains unclear but observers agree that Asia is a potential tinderbox for crises and conflict This volume brings together leading scholars from around the world to assess current thinking in IR on these issues The authors apply appropriate theories and methods of analysis in their specific area of expertise to examine the likely effects of the changing global power distribution on Asia There is also said to be an ongoing diffusion of power away from states to non state actors in the region hence in addition to examining changing relations between the Great Powers the book will also assess the implications that other actors from terrorist groups insurgents and organised crime syndicates could have on stability and order This book will be of much interest to students of Asian politics security studies diplomacy and international relations

Are Politics Local? Scott Morgenstern,2017-10-12 This book asks are politics local Why Where How do we measure local versus national politics And what are the effects **Order and Disorder in the 21st Century** Danielle Ireland-Piper,Leon Wolff,2020-08-18 With a diverse group of contributors from law business and the social sciences this book explores the line not only between order and disorder in global affairs but also chaos and control continuity and change the core and the margins The key themes include global crises and the role of international law norms and institutions the challenge of pluralism to regulatory clarity and critical assessments of taken for granted systems and values such as capitalism centralised government de militarisation and the separation of powers The book divides into two key parts The first part Conceptions considers the diverse way in which order disorder can be conceived in global governance and regulation The second part Case Studies groups chapters around five topic areas citizens capitalism conflict crime and courts The authors here build on the themes presented in the first part by embedding them within specific areas of international regulation such as international criminal law maritime law or finance regulation jurisdictions and regions such as Australia Canada China Japan and South Asia and subject matter such as water resources citizenship statelessness and public interest litigation This blend of contemporary subject matter empirical studies multi disciplinary perspectives and academic theories

provides a comprehensive analysis to current and emerging debates in the broader global community In utilizing interdisciplinary studies to draw out common issues and alternative solutions the book will appeal to a wide readership among academics and policy makers **The Oxford Handbook of Japanese Politics** Robert Pekkanen, Saadia M. Pekkanen, 2021-10-25 Book Abstract and Keywords The study of Japanese politics has flourished over the past several decades This Handbook provides a state of the field overview for students and researchers of Japanese The volume also serves to introduce Japanese politics to readers less familiar with Japan In addition the volume has a theme of evaluating Japan's democracy Taken as a whole the volume provides a positive evaluation of the state of Japan's democracy The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan's international politics Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government Komeito and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic regionalism and the linkage between security and economics International Security covering remilitarization global and regional security multilateralism nuclear nonproliferation naval power space security and cybersecurity and Foreign Relations covering Japan's relations with the United States China South Korea ASEAN India the European Union and Russia Keywords international relations comparative politics democracy international order alliances space security elections Liberal Democratic Party multilateralism remilitarization international organizations populism civil society coalitions political parties trade finance monetary policy foreign direct investment cybersecurity

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan **International Mobility, Global Capitalism, and Changing Structures of Accumulation** Anthony P.

D'Costa,2015-11-19 International mobility is not a new concept as people have moved throughout history voluntarily and forcibly for personal familial economic political and professional reasons Yet the mobility of technical talent in the global economy is relatively new largely voluntary structurally determined by market forces and influenced by immigration policies With over a decade s worth of extensive research in India Japan Finland and Singapore this book provides an alternative understanding of how capitalism functions at the global level by specifically analyzing the international movement of technical professionals between India and Japan There are three factors that inform this study the services transition away from manufacturing the movement of technical professionals in the world economy and the demographic crisis facing Japan The dynamics of changing capitalism are examined by theorizing the emergence of the services sector in the USA and Japan analyzing the pronounced social inequality in India that is the basis for the global supply of highly skilled technical professionals and providing considerable empirical data on the flows of professionals to these two countries to indicate Japan s institutional inflexibility in accommodating foreign talent The author anticipates that Japanese industry will shed some of its institutional rigidity due to the pressures of competition and the scarcity of technical professionals Providing a wealth of information on the topic of international mobility this book is an essential addition for scholars and students in the field of International Development Business Studies Asian Studies Migration Studies and Political Economy Local Politics and National Policy Ken Victor Leonard Hijino,2017-04-28 This book is about why and how central and local governments clash over important national policy decisions Its empirical focus is on the local politics of Japan which has significantly shaped and been shaped by larger developments in national politics The book argues that since the 1990s changes in the national political arena fiscal and administrative decentralization as well as broader socio economic developments have led to a decoupling of once closely integrated national and local party systems in Japan Such decoupling has led to a breakdown of symbiotic relations between the centre and regions In its place are increasing strains between national and local governments leading to greater intra party conflict inter governmental conflicts and more chief executives with agendas and resources increasingly autonomous of the national ruling party Although being a book primarily focused on the Japanese case the study seeks to contribute to a broader understanding of how local partisans shape national policy making The book theorizes and investigates how the degree of state centralization vertical integration for party organizations and partisan congruence in different levels of government affect inter governmental relations Japan s experience is compared with Germany Canada and the UK to explore sources of multi level policy conflict Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **The Origin of Japan's Protectionist Agricultural Policy** Hironori Sasada,2023-10-27 This book explores the origins of Japan s protectionist agricultural policies through an in depth historical analysis of Japanese agricultural policies between the Meiji period and the end of WWII It offers a constructivist account for

the rise of protectionism examining the policies of prewar agricultural bureaucrats who played critical roles in the policymaking process It argues that protectionist agricultural policy in Japan was not originally generated by the iron triangle a political alliance consisted of the Liberal Democratic Party the Agricultural Ministry and farmers organizations but by a prewar agricultural bureaucrats policy idea called sh n ron thoughts on small scale farming Ultimately the book reveals how contrary to suggestions of previous scholarship the protective measures based on sh n ron forged the necessary conditions for the emergence of iron triangle after the end of WWII which in turn institutionalized Japan s subsequent protectionist agricultural regime Examining such topics as the origin of protectionist policy the formation of actors preferences and the broader effects of agricultural policy ideas this book will be a valuable reading for scholars and students of Japanese politics agricultural policy and political economy

Japan Transformed Political Change And Economic Restructuring Introduction

In today's digital age, the availability of Japan Transformed Political Change And Economic Restructuring books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Japan Transformed Political Change And Economic Restructuring books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Japan Transformed Political Change And Economic Restructuring books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Japan Transformed Political Change And Economic Restructuring versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Japan Transformed Political Change And Economic Restructuring books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Japan Transformed Political Change And Economic Restructuring books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Japan Transformed Political Change And Economic Restructuring books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Japan Transformed Political Change And Economic Restructuring books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Japan Transformed Political Change And Economic Restructuring books and manuals for download and embark on your journey of knowledge?

FAQs About Japan Transformed Political Change And Economic Restructuring Books

1. Where can I buy Japan Transformed Political Change And Economic Restructuring books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Japan Transformed Political Change And Economic Restructuring book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
