

STUDY PLAN for your Kaplan NCLEX-RN® Preparation

Welcome to Kaplan NCLEX® Prep! This is the recommended study plan for utilizing the robust Kaplan NCLEX® Prep resources. These resources are designed to give you plenty of realistic practice for success on NCLEX® Test Day. As you begin your preparation, please keep in mind that preparing for the NCLEX® is a marathon, not a sprint! It is important not to rush your studies, but it's also important not to procrastinate.

While you are utilizing the Kaplan NCLEX® Prep resources, it is important that you follow these steps: analyze, review/remediate, think, study, and continue practicing. Remediation is the key to your NCLEX® success.

Phase 1: Prior to Your Kaplan NCLEX® Review Course

Complete the following resources on your student homepage.

***Please note: Directions in italics apply only to institutional students who are enrolled in the Kaplan Institutional program via their school and who access their NCLEX® resources via their Kaplan Institutional homepage.*

Date
Completed

	Download the NCLEX-RN® Content Review Guide e-book . It can be downloaded to any computer or e-reader device.
	Watch the 5 videos under "Pathway to NCLEX® Success."
	Watch the Phase One orientation video.
	Take the Diagnostic Test . <i>** If you are a Kaplan Institutional student, this will be proctored by your school or you will receive at-home testing instructions approximately 7–10 days prior to your NCLEX® class start. This resource will be located in the Green Integrated Testing box. (All other NCLEX® resources are in the Gray NCLEX® Prep box.) Your school may also choose to replace this test with a proctored Kaplan Secured Predictor exam.</i>
	Take Question Trainer 1 . Review/remediate before progressing to Question Trainer 2, and then follow the steps listed below.
	Take Question Trainer 2 . Review/remediate before progressing to Question Trainer 3, and then follow the steps listed below.
	Take Question Trainer 3 . Review/remediate and follow the steps listed below.
	Watch the Essential Nursing Content Videos .
	Download the Classroom Posters . These will be referenced in the Review Course.

As you are completing tests, look at your **Analysis** page to see how you performed on each test. Aim for scores of 65% or higher. (Institutional students: your school may require higher scores.)

Complete the **Test Reflection Worksheet** to identify your strengths and weaknesses. Ask yourself the following and think about how you are thinking:

1. Did I change any answers? Which way: correct to incorrect, or incorrect to correct?
2. Did I take enough time on each question, or did I take too much time on each question?
3. Did I lose concentration, and if so, is there a pattern? Should I have taken a break?

Review/remediate all questions. Ask yourself the following:

1. Did I not know the content of any of the questions?
2. For each question I got wrong, why did the author of the question choose one answer and why did I choose another?

Use the **Essential Nursing Content Videos** and your **NCLEX-RN® Content Review Guide e-book** to fill in any knowledge gaps, working from your content area of greatest weakness toward your area of greatest strength.
