range purpose is to collect comparable information on as many polities as possible in order to facilitate the development of a richer theory to guide language policy and planning in other polities that undertake the development of a national policy on languages This volume is part of an areal series which is committed to providing descriptions of language planning and policy in countries around the world **BOOK JACKET** **Progress in Language Planning** Juan Cobarrubias, Joshua A.

Fishman, 2012-10-25 **CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE** brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language *The Languages of Urban Africa*

Fiona Mc Laughlin, 2011-10-27 *The Languages of Urban Africa* consists of a series of case studies that address four main themes The first is the history of African urban languages The second set focus on theoretical issues in the study of African urban languages exploring the outcomes of intense multilingualism and also the ways in which urban dwellers form their speech communities The volume then moves on to explore the relationship between language and identity in the urban setting The final two case studies in the volume address the evolution of urban languages in Africa This rich set of chapters examine languages and speech communities in ten geographically diverse African urban centres covering almost all regions of the continent Half involve Francophone cities the other half Anglophone This exciting volume shows us what the study of urban African languages can tell us about language and about African societies in general It is essential reading for upper level undergraduates postgraduates and researchers in sociolinguistics especially those interested in the language of Africa

D'un seuil à l'autre Jacqueline Bergeron, Marc Cheymol, Collectif, 2017-06-01 Pourquoi comment franchissons nous les seuils La question des seuils interpelle nombre de disciplines Elle est posée à la fois par les sciences exactes et par les sciences humaines au centre des notions qu'elles définissent et même dans les rapports qu'elles entretiennent Parce qu'ils nous confrontent chaque instant une expérience de la limite et de l'identité les seuils nous renvoient dans le domaine culturel une pratique collective et une forme de revenir chez soi Reconnaître les seuils les respecter ou les franchir aller plus avant dans l'intime de cet entre-deux ou encore s'y tenir contribue à l'élargissement d'un commun insoupçonné Si la notion de seuil semble porter en elle l'idée de clôture c'est tout l'inverse quand on l'aborde sous la multitude des angles qui peuvent la définir Cet ouvrage montre qu'il y a une infinité de manières d'aborder les seuils et qu'on n'en a jamais fini de les traverser Que ce soit dans la vie quotidienne ou dans la pratique religieuse dans la réflexion philosophique historique ou géographique linguistique ou pédagogique sociologique ou anthropologique juridique ou scientifique la pensée du seuil nous oblige revoir nos représentations premières qui s'enrichissent de nouvelles découvertes aux moments de son passage Une introduction à la
