## **Manager Guide For Giving Feedback:**

Brag, Worry, Wonder, Bet Steve King, 2013-04-02 Giving someone feedback can be a daunting task for a manager especially when an employee is underperforming To soften the blow we sometimes refer to difficult feedback as developmental or constructive But these phrases rarely prompt the type of productive conversations managers need to have with team members Steve King a longtime HR executive and leader in executive education cuts to the chase with a simple and trusted framework on providing feedback Think of how great it would be to break through the typical awkwardness of giving feedback and start having serious conversations about performance development and careers Regardless of your role if you want to give feedback to others on a regular basis you need a proven approach to improve the quality of your conversations It starts with four simple words Brag Worry Wonder Bet This second edition of Brag Worry Wonder Bet begins with new introductory remarks from Steve's colleague and friend Betsy Hagan Betsy has taught and coached thousands of managers on the effective use of BWWB and her insights help set the stage not only for the rest of the book but for the effective use of this framework as well
