State Assessment Policy and Practice for English Language Learners Charlene Rivera,Eric Collum,2014-05-12 State Assessment Policy and Practice for English Language Learners presents three significant studies each examining a different aspect of states strategies for including English language learners in state assessments an Analysis of State Assessment Policies Regarding Accommodations for English Language Learners a Survey and Description of Test Translation Practices and an Examination of State Practices for Reporting Participation and Performance of English Language Learners in State Assessments With the rise in population of English language learners and the subsequent stepped up legislative focus on this student population over the past decade states have been challenged to include English language learners in state assessment programs Until now the little data available on states policies and practices for meeting this challenge has been embedded in various reports and professional journals and scattered across the Internet This volume offers for the first time a focused examination of states assessment policies and practices regarding English

language learners The three studies were supported by OELA the U S Department of Education s Office of English Language Acquisition Language Enhancement and Academic Achievement for Limited English Proficient Students State Assessment Policy and Practice for English Language Learners is of interest to researchers and professionals involved with the assessment of English language learners state and district level policy makers and academics teacher educators and graduate students in a number of fields including educational and psychological assessment testing and measurement bilingual education English as a second language and second language acquisition

Twin Pandemics Alison L. Bailey, Jose Felipe Martinez, Andreas Oranje, Molly Faulkner-Bond, 2023-09-19 This book examines how the COVID 19 pandemic and racial inequities affect the educational assessment of students either separately or in combination as the health crisis was viewed as a factor intersecting with and exacerbating existing racial inequities in educational systems The four empirical papers in this book attend to the challenges of implementing virtual standardized testing during the coronavirus pandemic the different educational and assessment experiences of diverse groups of school age students and the reconsideration of traditional assessment approaches in response to mounting research evidence and growing concerns around enduring social and racial inequities faced by Black Latinx Asian Indigenous and other non white citizens and communities The four conceptual papers focus primarily on the ways in which assessment may contribute to systemic racism and offer potential solutions to move the educational assessment field forward In totality the volume offers needed empirical evidence innovative methodological approaches and theoretical and substantive examinations of the effects of the twin pandemics *Twin Pandemics* will be a key resource for academics researchers and advanced students of Educational Assessment Education Psychometrics Educational Research Ethnic Studies Research Methods Sociology of Education and Psychology The chapters included in this book were originally published as a special issue of Educational Assessment
