Developing Deep Knowledge in Middle School Mathematics Sergei Abramovich,Michael L. Connell,2021-05-10 This textbook is for prospective teachers of middle school mathematics It reflects on the authors experience in offering various mathematics education courses to prospective teachers in the US and Canada In particular the content can support one or more of 24 semester hour courses recommended by the Conference Board of the Mathematical Sciences 2012 for the mathematical preparation of middle school teachers The textbook integrates grade appropriate content on all major topics in the middle school mathematics curriculum with international recommendations for teaching the content making it relevant for a global readership The textbook emphasizes the inherent connections between mathematics and real life since many mathematical concepts and procedures stem from common sense something that schoolchildren intuitively possess This focus on teaching formal mathematics with reference to real life and common sense is essential to its pedagogical approach In addition the textbook stresses the importance of being able to use technology as an exploratory tool and being familiar with its strengths and weaknesses In keeping with this emphasis on the use of technology both physical manipulatives and digital commonly available educational software it also explores e g the use of computer graphing software for digital fabrication In closing the textbook addresses the issue of creativity as a crucial aspect of education in the digital age in general and in mathematics education in particular

[101 Ideas for Making Disciples in Your Youth Group](#) C. Kent Julian,2008-11-04 As youth workers we all have our vision the plan we hope to make real in our ministries to change the lives of teenagers as we introduce them to Jesus But how often have you found yourself wondering if your picture is just wrong or thinking you just don t know how to make your ministry match what you envision In 101 Ideas for Making Disciples in Your Youth Group you ll explore the idea of ACTS to create a disciple making ministry with the elements needed to create

an environment necessary to cultivate this mission ACTS represents everything a missional youth ministry needs to be about Adoration More than an act this is a lifestyle that is fleshed out in expressions of prayerful dependence deep gratitude and expectancy in what God can do Community This is an atmosphere of genuine caring authentic relationships and unity based on Christ's love for his Church and the Church's love for one another Truth and Grace The basis of everything that is taught and valued this is a setting where God's Word is the standard and central to belief and behavior Serving and Sharing As a way of life serving involves helping the whole person by ministering to both believers and the lost by meeting their needs as well as verbally sharing God's message of grace As you dig into each aspect of ACTS you'll discover Jesus' style and see how he cultivated each element in his own ministry Then you'll explore the youth ministry style of each aspect where you'll find 25 hands-on easy-to-implement ideas on how to cultivate the same element in your context in order to create an environment of disciple making that finally fits your ministry
