## **Mixed My Life In Black And White:**

*Mixed* Angela Nissel, 2007-12-18 Tell anyone who asks that you're half black and half white just like David Hasselhoff from Knight Rider. Angela's mother Love has no color. Angela Nissel's parents but does it have a clue. In this candid, funny, and poignant memoir, Angela recounts growing up biracial in Philadelphia, moving back and forth between black inner city schools and white prep schools where her racial ambiguity and doomed attempts to blend in dog her teen years. Once in college, Angela experiments with black activism, hoping to find clarity in extremism, capitalizes on her exotic look at a strip club, and ends up with a major case of the blues, aka a racial identity problem. Yet Angela is never down for the count. After moving to Los Angeles, she discovers that being multiracial is anything but simple, especially in terms of dating and romance. By turns a comedy of errors and a moving coming-of-age chronicle, *Mixed* traces one woman's unforgettable journey to self-acceptance and belonging. Praise for *Mixed*: *Mixed* is a hilarious must-read for anyone searching for the enchanting path to self-discovery. Angela Nissel's precise account of living the mixed-race experience not only hit home with me but the journey is deliciously enlightening and heart-rending at the same time. It's a journey well worth taking. Halle Berry I love Angela Nissel's writing. Reading *Mixed* was like getting a letter from a best friend I forgot I had. How ironic that a book written by someone who felt like no one got her will surely be one of those rare books everyone gets. Black/white, both/neither. Hilarious, sweet, and honest. *Mixed* is the perfect read if you've ever felt like the one standing on the outside and let's face it, who hasn't? Jill Soloway, author of *Tiny Ladies in Shiny Pants*. If David Sedaris was a straight biracial female, this is the book he'd write. This book is so funny I've already started telling people I helped Angela write it. Bill Lawrence, creator of *Scrubs*. Nissel is humorous, poignant, and proud yet also empathetic and generous as she recounts her constant struggle to answer the perennial question: persons of mixed race seem required to ask of themselves in our society, where do I fit in? All readers stand to learn from her account. Booklist. Colorful anecdotes, marvelous dialogue, and a thoughtful narrative make this memoir a delight. Kirkus Reviews starred review. *My Life In Black And White* Kori Miller, 2014-01-29 Half-breed Oreo Cookie Suzy Q. These are a few of the names the bullies spewed her way. Did she cower? Sometimes. Did she cry? A lot. Did they win? No. Come along for the reading ride as author Kori D. Miller describes her life as an interracial woman in the United States from grade school in the 70s to college in the late 80s and beyond. You'll laugh. You might cry. And you might get as ticked off as she did. In the end, you'll discover that she's a lot like you. *My Life in Black and White* Natasha Friend, 2012-06-14 What if you lost the thing that made you who you are? Lexi has always been stunning. Her butter-colored hair and perfect features have helped her attract friends, a boyfriend, and the attention of a modeling scout. But everything changes the night Lexi's face goes through a windshield. Now she's not sure what's worse: the scars she'll have to live with forever or what she saw going on between her best friend and her boyfriend right before the accident. With the help of her trombone-playing, defiantly uncool older sister and a guy at school recovering from his own recent trauma, Lexi learns she's much more than just a pretty face.

**Black and White** Sarah Gilbreath Ford,2014-10-15 Explores how both black and white southern writers such as Joel Chandler Harris Charles Chesnutt Zora Neale Hurston William Faulkner Eudora Welty Ralph Ellison Ellen Douglas and Ernest Gaines have employed oral storytelling in literature *Tracing Southern Storytelling in Black and White* is a study of the historical use of oral storytelling by southern writers in written works In each chapter Sarah Gilbreath Ford pairs a white and an African American writer to highlight points of confluence in black and white southern oral traditions She argues that the connections between white and African American southern writers run deeper than critics have yet explored and she uses textual comparisons to examine the racial mixing of oral culture On porches in kitchens and on the pages of their work black and white southerners exchanged not just stories but strategies for telling stories As a boy Joel Chandler Harris listened to the stories of African American slaves and he devised a framework to turn the oral stories into written ones Harris s use of the frame structure influenced how Charles Chesnutt recorded oral stories but it led Alice Walker to complain that her heritage had been stolen Mark Twain listened to African American storytellers as a child His use of oral dialects then impacts how Ralph Ellison and William Faulkner employ oral storytelling and how Toni Morrison later writes in response to Faulkner The interactions are not linear not a chain of influence but a network of interactions borrowings and revisions Ford s pairings lead to new readings that reveal how the writers employ similar strategies in their narratives due in part to shared historical context While Zora Neale Hurston and William Faulkner for example use oral storytelling in the 1930s to examine the fear of

racial mixing Ellen Douglas and Ernest Gaines use it in the 1970s to build bridges between the races Exploring the cultural crossing that occurs in the use of oral storytelling Ford offers a different view of this common strategy in southern narrative and a new perspective on how culture is shared Australian Life, Black and White Mrs. Campbell Praed, 1885 White and black conflict in the early days Black tracking Cannibalism beliefs Daily life Moreton Bay and Sydney areas
