- Describe what physical property Felix can use to separate a bag of nails he found in his mothers garage. The mix of nails are the same size, shape, and color.  
Felix can use the property of magnetism to separate the nails made with iron from those made with other metals. Those nails made with iron will attract the magnet and the other nails will not.
- Describe how Johanne can separate the sand, small shell pieces, and whole shells she collected from the beach over the weekend.  
Johanne can separate the whole shells from the mixture with her hands because of the size; the whole shells are larger than the sand and small shell pieces. She can use a filter (sieve) with small holes to separate the sand from the shell pieces.
- Your neighbour is hungry and wants to eat dinner right away. He decides to make a pitcher of tea. What can he do to make the sugar dissolve faster so that the tea will be ready sooner?  
My neighbor could use warm or hot water to make the ice tea. If warm or hot water is used, it will increase the rate at which the sugar will dissolve in the water.

**High-Frequency Picture Words: Mixed Up Words** Staci Marck, 2014-06-01 This is the chapter slice Mixed Up Words from the full lesson plan High Frequency Picture Words. Increase vocabulary, sight word recognition, and comprehension as you help your students identify 120 common nouns using real-life pictures as an aid. Picture associations will aid young readers in developing anchor words to increase their oral and written language. We also highlight high-frequency words which encourage beginning skills for reading. As students begin to read and build their picture word knowledge, they will build a bank of known vocabulary words that will aid them in beginning to read and spell. Many of these picture words can be used to help spell similar words by analogy. Boxes are used to help students come to understand that words can be recognized by the shapes of their letters as they contain small, tall, or hanging letters. Color graphic organizers and a comprehension quiz are included. All of our content meets the Common Core State Standards and is written to Bloom's Taxonomy.

*High-Frequency Sight Words: Mixed Up Words* Staci Marck, 2014-04-01 This is the chapter slice Mixed Up Words from the full lesson plan High Frequency Sight Words. Increase sight word recognition, vocabulary, and comprehension as you help your students identify 130 sight words using real-life pictures as an aid. Sight words are words that must become automatically recognized by the reader because they are often not pronounced or spelled in regular ways. We include the 100 high-frequency words that make almost 50 percent of everything that we read as adults. Having a bank of high-frequency words is essential to building fluent reading skills. As students begin to read and build their sight word knowledge, they will build a bank of known vocabulary words that will aid them in beginning to read and spell. Boxes are used to help students come to understand that words can be recognized by the shapes of their letters as they contain small, tall, or hanging letters. Color graphic organizers and a comprehension quiz are included. All of our content meets the Common Core State Standards and is written to Bloom's Taxonomy.
