Attitudes to Translation Dr. Peter Pryce, 2018-07-13 *Writing and Thinking in Contemporary Academia* Martin Grünfeld, 2019-06-19 Across disciplinary borders clarity is taken for granted as a cardinal virtue of communication in contemporary academia But what is clarity how is it practised in writing across disciplinary borders and how does it affect our ways of researching and thinking This book explores such questions by scrutinising the ideal of clarity beyond its apparently self evident value Through a multi methodological empirical analysis of the ideal of clarity the author offers a

sketch of what is termed the poetics of clarity which is unfolded as a field of tension with important implications for sentence formation authorial positioning and textual organisation By way of a series of reflections on the possible consequences of this for thinking this volume also explores the parts of knowledge production that may be marginalised especially poetic language use biases interests and contexts multi dimensional arguments and errors Revealing a positivist bias and a regime of high speed consumption that characterise what in certain regards might be considered a productive space for knowledge production Writing and Thinking in Contemporary Academia will appeal to scholars with interests in the sociology of knowledge continental philosophy the philosophy of science and academic writing **The Handy English Grammar**
