Peter Pan, the Lost Child Kathleen Kelley-Laine, 2022-10-27 Originally published in 1992 in French as *Peter Pan ou l'Enfant Triste* the book was translated into English in 1997 and released as *Peter Pan The Story of Lost Childhood* This new English language version is translated by author Kathleen Kelley Laine and enriched with the addition of an epilogue from the author plus a new foreword from renowned psychoanalyst Jonathan Sklar Peter Pan young innocent and heartless with his baby tooth smile is one of the most popular heroes of fiction of both children and adults for over one hundred years The author explores this mythical figure both as a story as well as a metaphor revealing the hidden traumas and psychological conundrums of this Lost Child The evocative and lyrical style takes the reader through multiple levels of understanding of this seemingly simple fairy tale into the tragic story of its author J M Barrie and of other Peter Pans who never grow up In *Peter Pan the Lost Child* psychoanalyst Kathleen Kelley Laine explores Peter Pan's light hearted escapades and uncovers a sad lost child behind the baby tooth smile She uses the story as a framework for the stories of her patients to show how their own Peter Pan manifests giving a unique insight into how childhood events can block growth into adulthood She also investigates the sinister side of author James Mathew Barrie as it relates to his Peter Pan tale and addresses her own family history and its links to *The Boy Who Would Not Grow Up* Little by little as the book progresses Kelley Laine's lost childhood emerges as a child who fled with her family from war torn Hungary after the Second

World War to the promised land of Canada These three interwoven storylines take the reader on a literary journey to uncover secrets and hidden emotions Kelley Laine makes clear that the child who cannot grow up the Peter Pan raging inside the adult needs to be heard and understood Only then can that lost child have a chance to find the road to maturity *The Classical Kingdoms Collection Trilogies Book 3* Brittany Fichter, 2024-01-09 A girl willing to do anything to save her sister even if it means trusting a man A magical land that s falling apart Peter Pan losing control 1 A Curse of Gems A Retelling of Toads and Diamonds Jaelle knows better than to trust any man in Terrefantome But what happens when she has no choice Or even worse when she realizes he might have stolen her heart Jaelle knows better than to trust men Every girl in Terrefantome knows that But when her plan to escape her oppressive kingdom with her sister goes awry she finds herself with an unwanted magical gift and her sister in peril To make matters worse she s thrust into the company of a foreign prince on a strange mission With no one else to turn to Jaelle must choose between aiding him in his quest and receiving his help in return or saving her sister on her own Prince Lucas of Maricanta is on the most important mission of his life if he fails his kingdom will be overrun by an army of criminals When his meddling mother follows him into enemy territory however dragging along some poor girl that she insists is his future wife he must alter plans to protect them all Jaelle and Lucas know his mother s plan to betroth them is far fetched They also know however that in Terrefantome playing along with the sham engagement is safer by far But with enemies closing in on every side and their own affections getting muddled along the way Lucas and Jaelle must choose between the futures they ve sacrificed for and the love of which they ve always dreamed 2 Neverland Falling A Retelling of Peter Pan Part I If Wendy and Peter aren t careful Neverland and everyone in it will fall Wendy s parents have chosen her prospective husband and her world is falling apart So when the mysterious handsome Peter invites Wendy and her little brothers to run away to a place called Neverland she accepts At first Neverland is more wonderful than Wendy imagined So are all the people who live there from the Lost Boys to the mermaids to the fae to the misunderstood privateer Captain Jay But as time rolls on Wendy realizes that growing up might not be so bad if she had the right person to do it with Unfortunately growing up in Neverland is forbidden And the farther she gets from childhood the more she endangers them all And when the fae decide she s gone too far both Peter and Wendy must decide where their love and loyalties lie and how far they re willing to chase them For if they re not careful Neverland and everyone in it will fall 3 Breaking Neverland A Retelling of Peter Pan Part II Wendy is determined to go back to Neverland no matter what the cost Peter has banished Wendy from Neverland but she s determined to return to fetch her brothers To go back however she ll need a miracle Such a miracle will be costly and Wendy must decide whom to trust and how far she s prepared to go as well as how willing she is to leave Peter Pan to his fate Peter and the Neverstar are upholding a skeleton of the place Neverland once was And without Wendy beside him the effort seems doomed to futility Just as he s about to give up though redemption looms on the horizon but it will demand sacrifice of monumental proportions And while Captain Jay might be gone his
