NAME: Melissa Ruiz

DATE: October 13, 2015

Lesson Name: 8.2 Hands on: Use a ruler

Grade Level (s) 2nd grade

Common Core Content Standards: This is our accountability for student learning. List the complete text of the relevant parts of each standard. Use the number and description.

2.MD.1: measure the length of an object by selecting and using appropriate tools such as rulers, yardsticks, meter sticks, and measuring tapes.

Learning Objectives:

Content Objective-WHAT will students be able to do? What thinking skills are necessary to successfully participate? Be specific. This must be directly related to the content standard. Outcomes must be observable and measurable and align explicitly with your assessment.

Students will measure the length of objects to the nearest inch using an inch ruler.

Language Objectives-HOW will students achieve the content objective? What language skills (i.e., writing, speaking, reading or listening) will students need or could develop during the course of the learning activity that demonstrate understanding of content objective?

Children use classroom objects to demonstrate how to use an inch ruler to measure length. They will show they achieved the content objective by completing the activities in Go Math workbook as a whole class, with a partner and by themselves.

English Language Development (ELD) Standards and Proficiency Levels-

Based on your students' grade level, English language proficiency level and needs, select 1-2 English Language Development Standards that will serve as the focus of your lesson plan.
