Financial Accounting And Business Law Dr. M. Shahid Ahmed, 2023-10-26 Law is essential to the establishment and maintenance of social order in our society But we also need to recognise that there are other ways to establish order outside the legal system as it now exists Order is not only based on the law it also encompasses issues of a broader moral and political nature even in our society An explanation of the form of order in general is not the focus of this work More specifically it focuses on outlining and clarifying the essential institutional components of the specific kind of order known as legal order Business and commercial activity are ultimately controlled and regulated by law and they occur within a legal framework A challenge that faces anyone studying business activity is that business enterprise occurs in a broad and general legal environment however the student must possess more than a cursory understanding of the legal procedures and regulations that affect business activity This book specifically addresses this issue This book's main goal is to provide students with a companion that is simple to teach while covering the necessary curriculum Our aim has been to include the most recent curriculum updates for undergraduate graduate and postgraduate programmes offered by different centres and state universities The Contract Act the Sale of Goods Act and the Negotiable Instrument Act are among the many acts that are addressed in this book

Achieving Service Excellence C. M. Chang, 2013-11-20 As the service sectors play an increasingly important role in all economies worldwide service executives and professionals are well advised to recognize two main pathways to achieving sustainable success in services The first path requires enhancing the strategic differentiation

and operational excellence of their service enterprises the second requires that these executives and their employees develop the knowledge and skills needed to achieve such success Specifically this book discusses actionable methodologies needed to generate creative ideas including deciding on which ones to pursue on how to justify projects financially on how to manage the development projects for innovative services and on how to reach out to customers and offer them superior service support **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09
