Dancing Tango Kathy Davis, 2015-01-02 Argentinean tango is a global phenomenon Since its origin among immigrants from the slums of Buenos Aires and Montevideo it has crossed and re crossed many borders Yet never before has tango been danced by so many people and in so many different places as today Argentinean tango is more than a specific music and style of dancing It is also a cultural imaginary which embodies intense passion hyper heterosexuality and dangerous exoticism In the wake of its latest revival tango has become both a cultural symbol of Argentinean national identity and a transnational cultural space in which a modest yet growing number of dancers from different parts of the globe meet on the dance floor Through interviews and ethnographical research in Amsterdam and Buenos Aires Kathy Davis shows why a dance from another era and another place appeals to men and women from different parts of the world and what happens to them as they become caught up in the tango salon culture She shows how they negotiate the ambivalences contradictions and hierarchies of gender sexuality and global relations of power between North and South in which Argentinean tango is and has always been embroiled Davis also explores her uneasiness about her own passion for a dance which when seen through the lens of contemporary critical feminist and postcolonial theories seems at best odd and at worst disreputable and even a bit shameful She uses the disjuncture between the incorrect pleasures and complicated politics of dancing tango as a resource for exploring the workings of passion as experience as performance and as cultural discourse She concludes that dancing tango should be viewed less as a love hate embrace with colonial overtones than a passionate encounter across many different borders between dancers who share a desire for difference and a taste of the elsewhere **Dancing Tango** is a vivid intriguing account of an important global cultural phenomenon **DK Eyewitness Travel Guide: Argentina**, 2012-12-03 Now available in PDF format Whether travelers are planning trips to the elegant modern capital of Buenos Aires spectacularly scenic Patagonia or rich wine country of Mendoza DK Eyewitness Travel Guide Argentina will lead them straight to the very best this vibrant country has to offer This complete travel guide for Argentina includes street by street neighborhood maps of Buenos Aires unique cutaway illustrations floor plans and reconstructions of the city s stunning architecture plus 3 D aerial views of the key areas to explore on foot Readers also will find detailed listings of the best hotels restaurants bars and shops for all budgets in this fully updated and expanded guide Insider tips and essential local information help travelers explore every corner of Argentina from the best milonga a place for dancing and listening to tango in Buenos Aires to the best horse riding in the pampas and the best parrilla steakhouse in every region of the country Practical travel information covers transportation by train bus or car *DK Eyewitness Travel Guide Argentina* DK Travel, 2017-02-21 Explore Argentina s cathedrals miles of pristine beaches and exciting culture Experience Buenos Aires and the Beagle Channel and hike Aconcagua Discover DK Eyewitness Travel Guide Argentina Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor
