Golf Club Fitting Guide:

The Modern Guide to Golf Club Fitting Jeff Summitt, 2015-06-01 This all new text is written by Hireko's Technical Director Jeff Summitt who has spent more than 20 years helping fit and educating fellow golfers in selecting the proper equipment for their game. This is a modern approach that details the different concepts of fitting and applicable to professional club fitters down to those that simply want to learn more about the equipment they play. Covers everything you want to know and more about custom fitting including getting started, the personal interview, cause and effect relationships, a comprehensive discussion on clubhead anatomy, grip sizing and materials, role of the shaft, vital importance of length and weight as well as complete step by step fitting breakdown for each clubhead category set in a logical sequence. [The Complete Idiot's Guide to Golf, 2nd Edition](#) Matthew Rudy, Michelle McGann, 2005-03-01 This newly revised edition offers advice for beginning and intermediate players on deconstructing their swing, examining their short games and rethinking technique. From the basic rules of play to the strategy of course management, this indispensable guide covers drills and practices from tees to chip shots, putting essentials, specialty shots and so much more. All new photographs designed by instruction experts to show readers swing technique, grip and other important points. Full updates on the latest golf equipment and technology. New content on keeping fit and designing workouts to help improve your game. **Total Clubfitting** Jeff Jackson, 1993-06 **Golf Club Fitting and Selection for Amateur Golfers** Kurt W Weingand, 2025-06-19 This book contains technical information about the golf club fitting process for amateur golfers and insights for selecting and buying new and used golf equipment. Information is provided for all golf clubs including drivers, fairway metals, hybrids, irons, wedges and putters. Information about testing and selecting golf balls is also provided. In addition, the selection of golf instructors and use of golf launch monitors is discussed. Tips for the care and maintenance of golf clubs is also provided. This is the third edition of this book that was first published in 2022 and revised in 2023. I received valuable feedback from master golf club fitters, Professional Golf Association (PGA) professional golfers, original equipment manufacturers (OEMs) and amateur golfers on the previous editions. These comments and feedback have improved the content of this book significantly. Innovation continues to advance golf equipment technology and development. I have added new information on fitting irons for optimizing stopping power on approach shots to the green, golf shaft technologies and design, fitting putters by instruction and selecting a golf ball to improve your game. To my colleagues and readers of the previous editions, thank you very much for your input and suggestions for improvement of this book. *Golf Guide for Parents and Players* Jacqui McSorley, Johnny Gonzales, 2007 Whether your kid is 2 or 18, just starting has played some golf or is already a champion, this guide provides practical answers and new ideas to help them get the most out of the game and enjoy an exhilarating golfing life.
