

Will's Wedge Plan

1						
2		Hour 1	Hour 2	Hour 3	Hour 4	Hour 5
3	Week 1	3 balls from 20,30,40,50,60,70,80, 90, 100, First ball low, second ball medium trajectory and third ball is a repeat of what ever shot you hit worse. You do not have to go in order feel free to go 90,50,20,100 etc	Random yardage work. 40 shots total all from different distances. Go to the 100 yards from middle of green and throw 5 balls to various distances and lies. Shoot your yardage with laser and pick a flight.	Step back, move forward. start at 60 yards from the pin. Hit 2 balls if both finish within 20 feet move up to 50 yards and repeat. If at any yardage you are unsuccessful move back 10 yards and repeat. The game is over when you either get to 10 yards from the green or outside 120 yards.	Repeat Hour 1 but from rough only	Play it out. Play 18 holes from 150 yards Everything is a par 3, and you have to hole everything no gimmies!!!! Mix it up and play different holes to hit to different pins. If time docent allow feel free to play 3 or 4 balls on the same hole. This game shouldn't take 4 hours 50 max.
4	Focus	Focus on controlling height of each shot and keep an eye on how the two different shots react on the green	Be sure to throw balls to different sides and different distances. The idea her is no full swings and awkward distances that aren't always even.	Focus on stiffing it!! The game gets very easy if you can dial in your first few yardages and move up. The game gets brutal if you hang out going back and forth from 120 to 100 yards.		This will test your focus and commitment to every shot more then anything. Hitting the same yardage 18 times gets boring.
5	Goal	Out of 27 shots 20 need to be within 20 feet. If successful session can be done. If less then 20 repeat 4 worse distances.	Out of 40 shots all 40 have to finish on the green. If not hit 10 more random until all 10 are on green.	Win the game on first try never move above 60 yards		Finish under par.
