*Google My Business 4.0 Training Guide* Laura Maya, 2022-02-17 Google My Business now known as the Google Business Profile enhanced as a free service that helps small businesses manage their online presence. It allows them to create a Google Business profile page which is a dedicated page for their business on Google Maps, Google search, and other Google products all together in one place. Google and the pandemic has made GMB into the most important local marketing tool for SMBs and multi location brands. The search engine has easily retained its position as the most popular search engine in the world with over 92% of the search market share and it is only growing. Therefore it is vital for businesses to optimize their sites for Google search. For all businesses business profile is an essential part of any business's online presence and is often the first place customers look for up to date information about your company. In the age of Covid 19 this is more true than ever they're going to Google your business's name and check the right hand panel for the information they need. Creating, authenticating and correctly optimising your business account is a priceless opportunity which is why you should make use of it to the maximum and here with *Google My Business 4.0 Training Guide* this book is the 4th book in a series under the same title of which we maintain the same will assist every business to enhance their Google Business Profile. In each chapter of the guide we'll cover a different topic you should have a foundational understanding of what Google My Business is and how to use it to gain more visibility in local search for your or your client's business.
