Kenneth Mairiel, 2016-01-23 The message is in the story My book is a collection of short stories which are testimonies that God has done for me over the years God would make an experience happen then he wanted me with the help of the Holy Spirit to write the story exactly the way it happened I can't add anything or leave anything out The stories have a message in them from God Some of the stories are like parables which is one way God can still communicate with us I tried to put them in the order they happened when possible God made everything happen in a certain order so you can see from the first one to the last one that they are leading somewhere When you find a message in them for yourself it's yours from God
