Jersey Life Church Today's children are not raised in a bubble. Daily they are bombarded with worldly wisdom and are tempted at earlier ages with things that would have stunned parents of previous generations. Epic Families strives to help parents reclaim their God-given mandate to raise their children to know and love Him. Developed through more than a decade of ministry experience as well as one-on-one coaching with parents and church staff, this book identifies ways that the church has taken over a role that was designed for parents. It offers suggestions to parents to help them confidently teach their children about the God who made them, loves them, and wants a relationship with them, while also suggesting ways that churches can partner with parents while not usurping the parents' role. Epic Families can empower parents to inspire their children to trust God and make wise choices. In the busy and sometimes scary world we live in, parents need to intentionally showcase God's presence to their children and let Him permeate their lives. This book offers them a valuable resource to do that.

Bill Emeott,2018-10-01 Wouldn't it be great if you could sit down with a room full of seasoned kids ministry leaders with nothing but time and a list of questions to ask? Now with What about Kids Ministry you can do just that. Never are people more impressionable, more passionate or more eager to learn than in their childhood years. For this reason, those who parent and minister to children have incredibly consequential jobs. But they often lack the answers and solutions to some of their most important questions. In What About Kids Ministry, kids ministry expert Bill Emeott has curated a series of questions and answers from some of the most authoritative voices in kids ministry today. In doing so, he has created the go-to resource for every kids and family minister or parent seeking practical answers to their questions about how to minister to children. *Relational Children's Ministry* Dan Lovaglia,2016-04-05 Children's ministry has the power to change the lives of kids and families. Unfortunately, it's not always clear that the work a person does with kids is really making a lasting difference. Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped, and most likely the responses will be mixed. And for good reason. Research over the past decade has revealed an alarming lack of long-term growth in the faith community as children progress through student ministries into adulthood. Clearly, something needs to change. Relational Children's Ministry seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long-term impact. Ministry leaders will learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice. Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long-term discipleship is embedded. Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context. Children's ministry leaders will receive practical training to refocus their children's ministry along with time-tested tools to personally recommit to lifelong discipleship. Kid influencers can become a disciple-making community that redirects the current trajectory for this and future generations. **Jesus Ministry Begins** Lifeway Kids,2014-06 The Gospel Project for Kids Kids Leader Kit Jesus Ministry Begins contains everything a leader needs, including Younger Kids Leader Guide, Older Kids Leader Guide, Younger Kids Activity Pack including coloring sheets and The Big Picture Cards for Families, Older Kids Activity Pack filled with fun Activity Pages for each session and The Big Picture Cards for Families, a Unit and Key Passage, songs and Bible story and discussion starter videos.
