Excellence Gaps in Education Jonathan A. Plucker, Scott J. Peters, 2020-01-15 2017 Texas Association for Gifted and Talented Legacy Scholar Book Award 2017 National Association of Gifted Children Scholar Book of the Year Award In Excellence Gaps in Education Jonathan A Plucker and Scott J Peters shine a spotlight on excellence gaps the achievement gaps among subgroups of students performing at the highest levels of achievement Much of the focus of recent education reform has been on closing gaps in achievement between students from different racial ethnic or socioeconomic backgrounds by bringing all students up to minimum levels of proficiency Yet issues related to excellence gaps have been largely absent from discussions about how to improve our schools and communities Plucker and Peters argue that these significant gaps reflect the existence of a persistent talent underclass in the United States among African American Hispanic Native American and poor students resulting in an incalculable loss of potential among our fastest growing populations Drawing on the latest research and a wide range of national and international data the authors outline the scope of the problem and make the case that excellence gaps should be targeted for elimination They identify promising interventions for talent development already underway in schools and provide a detailed review of potential strategies including universal screening flexible grouping

targeted programs and psychosocial interventions Excellence Gaps in Education has the potential for changing our national conversation about equity and excellence and bringing fresh attention to the needs of high potential students from underrepresented backgrounds **Monthly Catalogue, United States Public Documents** ,1984 *Handbook of Research in Education Finance and Policy* Helen F. Ladd,Margaret E. Goertz,2014-12-17 Sponsored by the Association for Education Finance and Policy AEFPP the second edition of this groundbreaking handbook assembles in one place the existing research based knowledge in education finance and policy with particular attention to elementary and secondary education Chapters from the first edition have been fully updated and revised to reflect current developments new policies and recent research With new chapters on teacher evaluation alternatives to traditional public schooling and cost benefit analysis this volume provides a readily available current resource for anyone involved in education finance and policy The Handbook of Research in Education Finance and Policy traces the evolution of the field from its initial focus on school inputs and revenue sources used to finance these inputs to a focus on educational outcomes and the larger policies used to achieve them Chapters show how decision making in school finance inevitably interacts with decisions about governance accountability equity privatization and other areas of education policy Because a full understanding of important contemporary issues requires inputs from a variety of perspectives the Handbook draws on contributors from a number of disciplines Although many of the chapters cover complex state of the art empirical research the authors explain key concepts in language that non specialists can understand This comprehensive balanced and accessible resource provides a wealth of factual information data and wisdom to help educators improve the quality of education in the United States **After Piketty** Heather Boushey,J. Bradford DeLong,Marshall Steinbaum,2017-05-08 Are Thomas Piketty s analyses of inequality on target Where should researchers go from here in exploring the ideas he pushed to the forefront of global conversation In After Piketty a cast of economists and other social scientists tackle these questions in dialogue with Piketty in what is sure to be a much debated book in its own right *English Language Teaching in Moroccan Higher Education* Hassan Belhiah,Ikbal Zeddari,Nourddine Amrous,Jamal Bahmad,Nourdin Bejjit,2020-04-15 This book explores the global spread of English and its ramifications for the status of English in Morocco It sheds light on motivational issues in English language teaching and learning in Moroccan higher education and examines various teaching practices in terms of teaching effectiveness assessment and evaluation written feedback English Arabic translation and undergraduate supervision In addition to identifying critical issues in the discipline of English studies and the main challenges facing English departments from historical institutional and pedagogical perspectives it suggests strategies for addressing and overcoming them
