often receive relatively little attention An appendix surveys the metres and verse forms of the play *Summary of Harold Bloom's The Western Canon* Milkyway Media,2024-03-27 Get the Summary of Harold Bloom s The Western Canon in 20 minutes Please note This is a summary not the original book The Western Canon by Harold Bloom is a comprehensive exploration of the literary works and authors that have shaped Western culture Bloom delves into the concept of the Canon emphasizing its evolution from a prescriptive list of essential readings to a more personal selection of literature that fosters individual connections He argues against the politicization of literature advocating for the appreciation of aesthetic value over social or political messages

Love and Death in Goethe Ellis Dye,2004 Explores the central theme of Romantic poetry in the works of the most important German Romantic poet of all Goethe in association with his younger Romantic compatriots the Schlegels Novalis Fichte and Schelling struggled with the subject object dichotomy and tried to bridge the gap between self and other consciousness and nature His theory and practice prefigured the Romantics determination to display and interrogate the

linguistic and cultural structures informing their own thinking and modes of representation what Goethe calls one's *Vorstellungsart*. His work exploits, subverts and supplants inherited conventions and signs demonstrating with virtuosic irony that literature is a system of texts pre-texts and pre-established but dynamic conceptual models. Love and Death in Goethe's *One and Double* explores Goethe's use in a wide range of his poetry and prose of the theme of *Liebestod* (love and death) and related embodiments of the paradox of unity in duality. Ellis Dye also examines Goethe's use of other themes related to love and death: the *femme fatale*, the *vagina dentata*, *Frau Welt*, the *Lorelei*, venereal disease, the *Lustmord* and considers issues of selfhood and individuation as well as the possibility that the love-death theme contains an implicit gender bias toward the existential fact of personal separateness. Poems, plays and novels are dealt with nevertheless as works of art not only as illustrations of an idea or as points of intersection in a system of rhetorical conventions and are examined for intellectual cohesiveness, elegance and integrity of design as well as special meanings and effects. Love and Death in Goethe's *One and Double* explores the meaning of the central theme of Romantic poetry in the works of the most important Romantic poet of all. Students of literary culture, both the lay reader and the Goethe specialist, will be enlightened by its approach and find pleasure and instruction in its revelations. Robert Ellis Dye is Professor of German at Macalester College.

The Challenge to AI STEPHEN ROBBINS, 2023-12-15 This book invites readers to explore the intricate world where AI consciousness and human cognition intersect. This groundbreaking book considers the profound differences between man and machine, challenging existing notions in AI and cognitive science. It argues that the key to understanding intelligence lies not in software but in the hardware of our brain, a complex biochemical system far removed from current AI architectures. Through a deep examination of time perception, language and the nature of thought, the book presents a compelling case for the indispensability of biology and consciousness in cognition. To achieve this, to engineer this will indeed be a challenge for AI.

Homunculus James P. Blaylock, Jean-Pierre Pugi, Adèle Silly, 2016-02-17 Londres fin du XIXe siècle. Une compétition acharnée oppose une bande de scientifiques géniaux, une sinistre ligue constituée d'un milliardaire, d'un savant aussi dement qu'amoral et d'une horde de morts-vivants. L'objet de leur lutte ? Un homuncule, créature fantastique, l'existence tenue secrète et dotée de tous les pouvoirs, capable de triompher de la mort et du temps. Et celui qui réussira s'en emparer régnera sur l'éternité. Reste savoir quel camp l'emportera le premier.
