Guide Shmoop Literature:

The Yellow Wallpaper: Shmoop Literature Guide Charlotte Perkins Gilman, 2010 *Values Across Cultures and Times* Biljana Mišić Ilić, Vesna Lopičić, 2014-03-17 *Values Across Cultures and Times* is a collection of sixteen articles examining the concept of values understood in its broadest sense as the need of the modern man to examine, redefine and reconstruct previous theories, histories, moralities, social relationships, forms of language and language use. In times of great change, preserving traditional values seems to be particularly difficult, and the authors of these essays respond to the challenge and approach the notion of changing values from the perspectives of literary studies and linguistics. The book opens with an introductory overview followed by sixteen articles divided into three sections. The book is aimed at a broad academic audience, while the popular style of the articles also makes the volume appealing to a wider audience interested in different aspects of values. The authors of the articles come from Serbia, Macedonia, Bulgaria, Romania, and the United States. **The Book of Mothers** Carrie Mullins, 2024-05-07 Timely and evergreen, engaging and infuriating, personal and universal, a necessary reintroduction to some of fiction's most familiar mothers. Cecile Richards, bestselling author of *Make Trouble* and former president of Planned Parenthood. A smart and engaging look at fifteen classic novels that have shaped our cultural notions of motherhood: *Sweet* (supportive, dependable, selfless). Long before she had children of her own, journalist Carrie Mullins knew how mothers should behave. But how? Where did these expectations come from, and more importantly, are they serving the mothers whose lives they shape? Carrie's suspicion later crystallized while raising two small children: was that our culture's idealization of motherhood, not only painfully limiting but harmful, leaving women to cope with impossible standards, standards rarely created by mothers themselves? To discover how we might talk about motherhood in a more realistic, nuanced and inclusive way, Carrie turned to literature with memorable maternal figures for answers. Moving through the literary canon from *Pride and Prejudice* and *Little Women* to *The Great Gatsby*, *Beloved*, *Heartburn* and *The Joy Luck Club*, Carrie traces the origins of our modern mothering experience. By interrogating the influences of politics, economics, feminism, pop culture and family life in each text, she identifies the factors that have shaped our prevailing views of motherhood and puts these classics into conversation with the most urgent issues of the day: Who were these literary mothers beyond their domestic responsibilities and familial demands? And what lessons do they have for us today if we choose to listen. **Apps for Learning** Harry J. Dickens, Andrew Churches, 2011-10-20 Provides detailed descriptions of forty apps that can be used in high school classrooms. **The Oxford Handbook of Musical Theatre Screen Adaptations** Dominic McHugh, 2019-06-14 Hollywood's conversion to sound in the 1920s created an early peak in the film musical, following the immense success of *The Jazz Singer*. The opportunity to synchronize moving pictures with a soundtrack suited the musical in particular, since the heightened experience of song and dance drew attention to the novelty of the technological development. Until the near collapse of the genre in the 1960s, the film musical enjoyed around thirty years of development, with landmarks such as *The*

Wizard of Oz Meet Me in St Louis Singin in the Rain and Gigi showed the exciting possibilities of putting musicals on the silver screen The Oxford Handbook of Musical Theatre Screen Adaptations traces how the genre of the stage to screen musical has evolved starting with screen adaptations of operettas such as The Desert Song and Rio Rita and looks at how the Hollywood studios in the 1930s exploited the publication of sheet music as part of their income Numerous chapters examine specific screen adaptations in depth including not only favorites such as Annie and Kiss Me Kate but also some of the lesser known titles like Li l Abner and Roberta and problematic adaptations such as Carousel and Paint Your Wagon Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies
