Buddha's Words for Tough Times Peter Skilling, 2024-02-20 Twenty translations from the vast corpus of Buddhist literature come alive in this full color anthology of ancient wisdom for turbulent times as a master scholar uncovers their sources and significance Change and loss have always been part of the human condition but in today's world the pace and intensity of uncertainty has reached new extremes The Buddha observed the truth of impermanence more than 2 500 years ago and diagnosed the source of the anxiety it engenders so incisively that his prescription still resonates and heals here and now In **Buddha's Words for Tough Times** Peter Skilling one of the world's foremost authorities on Buddhist scripture brings the reader face to face with the wealth of Buddhist literature from a teaching in a single word to a seminal collection of verses on impermanence to narrations of the Buddha's teaching journeys across the Gangetic Plain Translating from sources in Tibetan Sanskrit and Pali he uncovers the complex history of the vast writings of the Buddhist canons and his skill in revealing the meaning of twenty gems from within those riches brings them alive for English readers We could have no better guide for this exploration an exploration whose value is more urgent than ever **Catalogue** Maggs Bros, 1895
