Global English Slang Julie Coleman, 2014-01-10 *Global English Slang* brings together nineteen key international experts and provides a timely and essential overview of English slang around the world today. The book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub fields of linguistics. A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves: what is slang in one context is not slang in another. The volume also challenges received wisdom on the nature of slang: that it is short lived and that slang is restricted to verbal language. With an introduction by editor Julie Coleman, the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland. Authors also explore slang in Jamaica, Australia, New Zealand, India and Hong Kong and the influence of English slang on Norwegian, Italian and Japanese. A final section looks at slang and new media, including online slang usage and the possibilities offered by the internet to document verbal and gestural slang. *Global English Slang* is an essential reference for advanced undergraduates, postgraduates and researchers working in the areas of lexicology, slang and World Englishes.

Ansari J. Alan Veerkamp, 2021-08-25 Corporations control every sector of society from law enforcement to automated manufacturing. The economic and social divides are chasms. Jobs are scarce for an undocumented slug like Arad Ansari and life on Earth's Grey District A-5 colony is even harder. With no other options, he plies his youthful looks to hustle enough money to stay fed, even without a roof over his head. So when Captain Torrins of the Midas Ascending offers him employment as his personal cabin boy, Arad takes the opportunity despite his reservations. Because what other choice does a desperate, poverty-stricken man with no prospects have? When corporate military forces demand payment for Torrins and the crew's sins, Arad is left alone and adrift in unknown space. After years of smothering on the crowded streets of Grey District, a ship of his own should be an unexpected windfall, but it doesn't take long to discover what, or rather who, were originally being smuggled on board. More than human, more than an animal, Roku is a blend of both a marvel of genetics and highly illegal. His past is a mystery even to himself, a story told only through his nightmares. Despite a dubious introduction, an unspoken bond forms between him and Arad while they try to repair the ship before supplies run dry or corporate forces track them down. Time is not on their side. Overcoming their pasts and learning to trust one another are the keys to Arad and Roku's survival, and they have to succeed to find their place together in the universe.

Medical and Dental Bulletin, 1934 *Raven Mysteries of the Ancestors* Jonathan Johnson, 2022-04-06 Aliens do exist and so does magic and metahumans. People think that the world is so good, but a young boy is about to learn otherwise. Join Raven, a 9-year-old boy, as he travels back to the past to meet his ancestors. There, Raven collects 3 artifacts and 9 power crystals so that in the present, Raven can activate the portal to the future. Join Raven as he goes to the ice age, the dawn of the dinosaurs, and the birth of Egypt itself. Our hero will meet giants, dragons, zombies, scorpions, and even face off against his own family to stop the
